PREAMBLE

Section 1 – Purpose

The purpose of this Agreement is to promote mutual agreement and understanding between the parties and to set forth those matters pertaining to rates of pay, hours of work, fringe benefits and other employment relations matters pertaining to employment consistent with the **COUNTY's** objective of providing maximized efficiency and services to the public of Lane County.

Section 2 – Applicability

- (A) This Agreement is applicable inclusively to bargaining unit employees in the unit represented by AFSCME **UNION** 2831.
- (B) It is agreed and understood that this Agreement shall be limited and applicable only to bargaining unit employees, and only in connection with the performance of work within classifications covered by this Agreement.

Section 3 – Bilateral Respect

The parties understand that owing to their respective roles, philosophies and responsibilities, they may from time to time, be engaged in disputes. Nevertheless, the parties hereby mutually acknowledge the desirability of maintaining a working relationship that is reflective of bilateral respect. The parties shall endeavor to:

- (A) Transact business with each other in a business-like manner even in instances where the scope of a dispute appears significant or the circumstances are difficult.
- (B) Take appropriate measures that foster an environment of mutual trust.
- (C) Conspicuously encourage managers and supervisors as well as bargaining unit members to maintain a working relationship that reflects bilateral respect.

ARTICLE 1

RECOGNITION

Section 1 – Recognition

- (A) For the purposes of collective bargaining with respect to wages, hours, benefits and other employment relations matters, the **COUNTY** recognizes the **American Federation of State County and Municipal Employees Council 75, Local 2831 (hereinafter the “union”) UNION** as the sole and exclusive representative of all temporary, probationary and non-probationary employees in permanent positions exclusive of those employed in a confidential or supervisory capacity, extra help employees (subject to Section 1 (B) below), those employees employed in classifications represented in other bargaining units, and those employees employed in classifications listed in **Appendix A** or successor classifications. Nothing in this Agreement shall be construed to interfere with the rights of employees under the Public Employee Collective Bargaining Act.
- (B) No extra help position shall exceed 520 hours in a fiscal year and no employee who is performing bargaining unit work in such extra help position shall work more than 520 hours in a fiscal year. Any employee in an extra help position who works in excess of 520 hours in a fiscal year shall be considered a temporary employee retroactive to the start of the current fiscal year or most recent date of hire in the fiscal year in which the employee transfers from a 520 to a 1040 position, whichever is later.

Section 2 – Division of Labor

Work historically performed by bargaining unit members shall not normally be performed by non-bargaining unit employees. This is not to be construed to change existing practices where, for example, a supervisor may perform limited bargaining unit duties as part of their regular work assignment.

ARTICLE 2

MANAGEMENT RIGHTS

Section 1 – Retention of Rights

- (A) The **COUNTY** retains all rights respecting decisions and actions affecting the operation and management of its business where not specifically in conflict with this Agreement.
- (B) It is agreed that the management of the **COUNTY** and the direction of the work force, including but not limited to the right to hire, promote, transfer, assign, suspend, demote, to discharge or otherwise discipline employees; to increase or to decrease the work force; to determine the methods, means, personnel and schedules by which the efficiency of government operations entrusted to the **COUNTY** are to be maintained; to establish, revise and implement safety and health standards; to contract or subcontract work; to discontinue all or any part of its operations; to transfer work from the bargaining unit; to determine the need for additional educational courses, training programs, on-the-job training and cross-training, and to assign employees to such duties for periods to be determined by the **COUNTY**; to establish new jobs, or eliminate or modify existing job classifications; to adopt and enforce rules, regulations, policies and procedures governing the conduct of its work force; and to take whatever other action is deemed appropriate by the **COUNTY**, is vested exclusively in the **COUNTY** except when specifically in conflict with this Agreement.

Section 2 – Uniform Application

Any rule, regulation, policy or procedure issued under the Management Rights clause shall be uniformly and equitably applied and enforced to all affected employees who are similarly situated.

Section 3 – Exercise of Rights

The **COUNTY** shall not exercise its rights set forth above for the purpose of avoiding the terms of this Agreement.

Section 4 – Contracting Out

It is the general policy of the **COUNTY** to utilize its employees to perform work they are qualified to perform. However, the **COUNTY** reserves the right to contract out any work that in its sole discretion it deems necessary.

Prior to making its final determination, the **COUNTY** agrees to notify the **UNION** in writing, and upon timely written request of the **UNION** (within fourteen (14) days), follow the provisions of Article 17, Section 1 - Change in Conditions prior to implementing any decision to contract out bargaining unit work.

ARTICLE 3

DUES DEDUCTION/FAIR SHARE

Section 1 – Fair Share and Religious Exemption

- (A) It shall be a condition of employment that all employees covered by this Agreement shall, on the thirty-first day following employment, either become members of the **UNION**, or shall pay the full lawful amount specified by the **UNION** in lieu of **UNION** dues to the **UNION** except as expressly modified in Paragraph (B) below.
- (B) Employees covered by this Agreement may choose non-association with the **UNION** based on bona fide religious tenets or teaching of a church or religious body of which such employee is a member. Such employee must request the exemption under the **UNION** policy and procedure in effect. If an employee's request for religious exemption is granted, the employee will pay the **UNION** an amount of money equivalent to regular union dues and initiation fees and assessments, if any, to a nonreligious charity or to another charitable organization mutually agreed upon by the employee and the **UNION**. If the employee pays the charity directly, the employee must furnish written proof of payment to both the **UNION** and the **COUNTY** showing that this has been done.

Section 2 – Deduction of Dues and Fees

- (A) The **UNION** shall notify the **COUNTY** of the current rate of dues and fair share in lieu of fees in a timely manner, which will enable the **COUNTY** to make necessary payroll deductions as specified below.
- (B) Pursuant to Section 1, the **COUNTY** shall deduct from the paycheck for the second pay period of each month of all employees in the bargaining unit the specified amount for the payment of **UNION** membership or payment in lieu of dues, to the **UNION**. At the option of the **UNION**, instead of monthly dues deduction, the **COUNTY** shall deduct from each paycheck the specified amount for the payment of **UNION** membership or payment in lieu of dues, to the **UNION**.
- (C) The **COUNTY** agrees to deduct on a monthly basis from the payroll check of employees covered by this agreement who so request in writing voluntary contributions to be paid to the treasurer of American Federation of State County and Municipal Employees Public Employees Organized to Promote Legislative Equality, also referred to as "PEOPLE." In accordance with ORS 243.702, the parties agree that if these types of voluntary contributions are declared to be legally invalid at any point during the life of this Agreement, then this section shall be reopened for negotiation upon request by either party.

Section 3 – Maintenance of Membership

All members of the bargaining unit who are members of the **UNION** as of the effective date of the Agreement, or who subsequently voluntarily become members of the **UNION**, shall continue to maintain membership status in the **UNION** during the term of this Agreement. This section shall not apply to the 30-day period of the expiration of this Agreement for those employees who, by written notice sent to the **UNION** and the **COUNTY**, indicate their desire to withdraw membership from the **UNION**.

Section 4 – Dues Transmittal/Hold Harmless

- (A) The **COUNTY** agrees to remit the aggregate deductions, together with an itemized statement to the **UNION**, by the first day of the succeeding month after such deductions are made.
- (B) The **UNION** agrees to release the **COUNTY** and save the **COUNTY** harmless from any liability whatsoever for performing its obligations as specified in this Article. Reasonable costs incurred in

the defense of the **COUNTY** in any legal action against the **COUNTY** for implementing the provisions of this Article shall be borne by the **UNION**. The **COUNTY** agrees to cooperate fully in the defense of any claim. Nothing in this section shall be construed as to limit the **COUNTY**'s obligation to deduct and transmit dues and fees to the **UNION**.

ARTICLE 4

UNION RIGHTS

Section 1 – UNION Activity

- (A) The **UNION** or its representatives shall have the right to conduct official **UNION** business on **COUNTY** property at such times and in a manner which does not interrupt **COUNTY** operations or efficiency. Nothing herein is to be construed as a right of an employee to leave their station without supervisory approval. The Human Resources Director or designee can issue approval for the Union president to leave their station with supervisory notification. The **UNION** shall conduct all business on other than **COUNTY** time except as expressly authorized elsewhere in this Agreement.
- (B) The **COUNTY** agrees to furnish bulletin boards to be placed in designated places in each work area. The **UNION** shall limit the use of such bulletin boards to the posting of notices of general interest and **UNION** meetings, exclusive of objectionable material, and shall maintain the bulletin boards in good order.
- (C) The **UNION** shall have access to **COUNTY** duplication equipment, upon appropriate prior approval, at such times as it is available, at the applicable **COUNTY** rate. It is understood that **COUNTY** use shall take priority over **UNION** use of such equipment. Use shall be by **UNION** members on their own time.
- (D) Employee members of the **UNION** bargaining team shall not suffer loss in pay while participating in bona fide negotiation sessions between the **UNION** and the **COUNTY**, provided, however, that the number of such employees shall be limited to five (5) at any one time. The **COUNTY** will inform the **UNION** if they believe the selected employees will result in an operational impact. If this occurs, the **UNION** and the **COUNTY** will discuss potential adjustments.
- (E) The **COUNTY** agrees that accredited representatives of the **UNION** shall have reasonable access to the premises of the **COUNTY** for the purpose of ascertaining whether this Agreement is being observed. **UNION** representatives shall first report their presence and intentions to the director of the appropriate department, or designated representatives, and shall conduct their activities in a manner which avoids loss of time or disruption of operations.
- (F) An employee, but not more than two (2) at any one time, nor more than one (1) from any Department, who accepts an official position with the **UNION** shall be granted a leave of absence without pay not to exceed six (6) calendar months in duration. Such employee shall be reinstated by the **COUNTY** provided that such employee notifies the **COUNTY** in writing of their intent to return to work thirty (30) calendar days in advance, and provided further that said employee is still qualified to perform the applicable job duties. Only one (1) leave shall be granted to an employee in any eighteen (18) month period.
- (G) The **COUNTY** agrees to furnish the **UNION**, in response to reasonable written requests from time to time, information pertaining to employees covered by this Agreement, which is readily and reasonably available to **COUNTY** Administration in the regular course of business and not exempt from public disclosure.
 - (1) When the **UNION** submits to the **COUNTY**, or any agent thereof, a request for information, the **COUNTY** shall quickly estimate the staff time required to obtain the requested information and the number of copied pages that could be produced as a result of the request.
 - (2) If it is estimated that the information request will require a total of less than one hour of staff time to research, retrieve and/or compile the information as well as require one hundred (100) or less copied pages, the **UNION** will not be charged for the information request.

- (3) If it is estimated that the request will require one hour or more of staff time to research, retrieve and/or compile or require more than one hundred (100) copied pages, any response to said information request will be suspended until such time as representatives of the **COUNTY** and the **UNION** can meet to discuss the matter. The purpose of any such discussion will be to provide the **UNION** an opportunity to clarify or modify its request as well as for the parties to agree to charges that are reflective of operative **COUNTY** regulations or standard procedures.
- (4) Likewise similar procedures would be applied to the **COUNTY** for any information request submitted to the **UNION**, but in no event shall the **UNION** assess rates that exceed the **COUNTY**'s.
- (5) The **UNION** will make a conspicuous effort to have its agents better craft their requests for information.

By request the **COUNTY** shall furnish the current mailing addresses of all bargaining unit members to the **UNION** except for those employees who request that their addresses not be disclosed. Costs shall be the responsibility of the **UNION** at the rate of established fees for public record requests.

- (H) **COUNTY** employees have the right to join and participate in the activities of the **UNION** for the purposes of representation and collective bargaining with the **COUNTY** on matters concerning employment relations as long as a loss of time or disruption of **COUNTY** business is not incurred.
- (I) The **COUNTY** agrees that where, in the judgment of the **COUNTY**, its operations will not be seriously disrupted, it will allow **UNION** Executive Board Members who are otherwise scheduled to work, but not more than one (1) per department, to attend Executive Board meetings after 5:00 p.m. without pay.

Section 2 – COUNTY-UNION Meetings

From time to time issues of mutual concern will arise which may need discussion between the **COUNTY** and the **UNION**. Such discussion, when practicable, shall be held during regular working hours on **COUNTY** premises and without loss of pay to participating employees, provided that such employees shall not exceed two (2) in number unless otherwise agreed to by the **COUNTY**. Notice of the prospective topics of discussion shall be furnished with the request for a meeting, for the purpose of determining whether a meeting is necessary.

Section 3 – Information

The **COUNTY** agrees to furnish to the **UNION** electronically, at no cost, a copy of all regulations, and copies of the Lane Code, Administrative Procedures Manual, Lane Manual and classification specifications, including amendments and additions. Within thirty (30) days after execution of this Agreement, the **COUNTY** will update the **UNION**'s copy of the above documents. The **UNION** will pay for additional copies of the Lane Code and the Lane Manual, if needed. Additions and amendments to the Lane Code, Lane Manual, Administrative Procedures Manual and classification specifications shall not become effective until the **UNION** has been sent an electronic copy.

Section 4 – Protection of Rights

- (A) The parties shall not interfere with, restrain or coerce employees in or because of the exercise of rights guaranteed under the Public Employee Collective Bargaining Act or this Agreement including but not limited to:
 - (1) The **COUNTY** shall not dominate, interfere with or assist in the formation, existence or

administration of the **UNION** or any successor employee organization.

(2) The Parties shall not discriminate in regard to hiring, tenure or any terms and conditions of employment for the purpose of encouraging or discouraging membership in the **UNION**.

(B) The parties agree that any acts described within this section constitute Unfair Labor Practices under ORS 243.672 and are subject to appeal and review by the Employment Relations Board pursuant to Oregon Administrative Rules, Chapter 115, Division 35. Therefore, such acts shall not be subject to the Arbitration Provisions (STEP 4) of the Grievance Procedure of this Agreement and further, if an Unfair Labor Practice Complaint is filed, any grievance over the issue becomes null and void and the issue shall become subject exclusively to the applicable Oregon Revised Statutes and Oregon Administrative Procedures.

Section 5 – Officers and Stewards

The **UNION** shall provide a current list of its officers and stewards to the Labor Relations Manager, or designated representative. The **UNION** shall notify the Labor Relations Manager, or designated representative, of changes to this listing in a timely fashion.

Section 6 – Orientation of UNION Employees

The **COUNTY** agrees to notify the **UNION** monthly of all new employees hired into bargaining unit positions and to provide reasonable time for the **UNION** representatives to meet with new employees.

ARTICLE 5

DISCIPLINE AND DISCHARGE

Section 1 – Causes for Discipline

- (A) An employee who has completed the probationary period as defined in Article 8 of this Agreement shall not be disciplined or discharged without just cause. In determining if just cause exists, the following four (4) tests must be met:
- (1) Was the employee forewarned of possible consequences of the conduct?
 - (2) Did the employee breach a rule or commit an offense as charged?
 - (3) Did the employee's act or misconduct warrant corrective action or punishment?
 - (4) Is the penalty just and appropriate to the act or offense as corrective punishment?
- (B) Disciplinary action shall be accomplished in a manner, which affords the employee the most protection possible from embarrassment before other employees or the public.
- (C) Discipline shall consist of one of the following:
- (1) Documented Oral Warning
 - (2) Written Reprimand
 - (3) Suspension
 - (4) Discharge
- (D) Disciplinary action shall only be imposed upon an employee in relation to activities related to the employee's ability to perform duties. Disciplinary action may be taken for activities that take place outside of **COUNTY** premises on off-duty time only when the employee's ability and effectiveness to perform the employee's job is impaired.
- (E) Notice of disciplinary action shall normally be provided to the employee within fourteen (14) calendar days from the date the **COUNTY** had, or should reasonably have had, knowledge of the occurrence for which action is being taken. If, at the Department's discretion, an investigation is necessary, it shall be initiated within seven (7) calendar days from the date the **COUNTY** had, or should reasonably have had, knowledge of the occurrence and notice of charges and intended disciplinary action shall be provided to the employee within seven (7) calendar days from the date the **COUNTY** determines the investigation is complete. Calendar days shall not include any paid leave days. When the Department notifies the individual that a formal investigation is being conducted which may result in discipline, the Department will also notify the **UNION** and advise the **UNION** of anticipated length of the investigation. This notification requirement shall not apply to informal investigations, or investigations conducted by the Sheriff, District Attorney, or any outside agency.

Section 2 – Pre-disciplinary Hearing

When the **COUNTY** intends to take disciplinary action involving discharge or suspension, the **COUNTY** shall notify the non-probationary employee and the **UNION** in writing of the charges against the employee and the proposed disciplinary action; and shall provide the employee with the opportunity to respond to the charges at a hearing with the supervisor or person having authority to impose the proposed disciplinary action. In the event this proceeding is recorded, the **COUNTY** will provide a copy of the

recording and/or transcript to the **UNION**.

(A) The non-probationary employee whose discipline involving discharge or suspension is being considered shall be granted fourteen (14) calendar days (or more by mutual agreement) to prepare for the disciplinary hearing.

(B) The employee shall be entitled to have **UNION** representation, not to exceed two (2) **COUNTY** employees at the pre-disciplinary hearing.

Section 3 – Effective Date of Discipline

Once an employee has received official notification of any disciplinary action, such action shall be final, subject to the grievance procedure.

Section 4 – Extension of Time

Extensions to the time limits shall be permitted under the following circumstances:

(A) The time limits set forth in this Article may be extended by mutual agreement.

(B) If the employee, the supervisor or any other directly involved individual is unavailable to properly investigate the incident due to illness or vacation, the time limits specified herein shall be extended by the number of days the individual(s) specified are unavailable.

(C) If the incident(s) giving rise to the potential disciplinary action involve alleged criminal activity, the time limits specified in this Article shall commence at the close of any related criminal investigation and/or legal action.

ARTICLE 6

GRIEVANCE PROCEDURE

Section 1 – Purpose

- (A) The purpose of this procedure is to secure, at the lowest possible level, mutually acceptable solutions to grievances, which may arise from time to time affecting bargaining unit employees.
- (B) Should a disagreement arise concerning the interpretation or application of the provisions of this Agreement, or as to the performance of the obligations herein, such disagreement shall be settled according to the terms hereinafter provided. An employee, at their discretion, may elect to be represented by the **UNION** at any step in the procedure.
- (C) "Date of occurrence" herein shall mean the date the aggrieved party had or should reasonably have had knowledge of the occurrence.
- (D) Notwithstanding the provisions of Step 1 below, it is understood that the aggrieved party is obligated to attempt to resolve the matter informally; however, for the purpose of preserving time limits, the aggrieved party may formally submit the particulars of the grievance to the applicable supervisor pending conclusion of the informal attempt. Applicable supervisor shall mean the first supervisory person with the authority to respond with a proposed resolution on behalf of the **COUNTY**.

Section 2 – Grievance Steps

(A) **STEP 1**

- (1) The aggrieved party and/or designated representative shall first attempt to informally resolve the issue with the applicable supervisor. In the event such attempt is unsuccessful, the aggrieved party shall refer the grievance in writing to the supervisor, within fourteen (14) calendar days of the occurrence of the grievance. The notice shall include:
 - (a) A statement of the grievance and relevant facts;
 - (b) Applicable provisions of the contract; and
 - (c) Remedy sought.
- (2) The supervisor shall attempt to resolve the grievance and shall furnish a written statement of their position within seven (7) calendar days.

(B) **STEP 2**

If the grievance cannot be resolved in Step 1 above, or the supervisor has not submitted a written reply within seven (7) calendar days, the grievance shall be referred in writing to the applicable Department Director who shall designate a representative who shall investigate the particulars of the grievance and shall attempt to resolve the issue within seven (7) calendar days of receipt, and shall furnish a written reply to the aggrieved party and the **UNION** within that time period.

(C) **STEP 3**

- (1) If, after proceeding through Step 2 above, the grievance is still unresolved, the aggrieved party and/or designated representative may refer it to the Department Director, no later than seven (7) calendar days from the date of the Step 2 response or date when said response is due.
- (2) The Department Director, or designee, and the **COUNTY's** Labor Manager shall meet with the grievant and the designated representative no later than fifteen (15) days from receipt of the Step 3 appeal.
- (3) The Department Director shall provide the **COUNTY's** written response within fifteen (15) days from the date of the Step 3 meeting.
- (4) Should the **COUNTY** be the aggrieved party, the matter shall be introduced at this step.
- (5) Any grievance which involves discharge, or is of a class action nature, may be introduced at this step.

(D) **STEP 4**

If the Step 3 response from the **COUNTY** is not acceptable, the **UNION** may submit the matter for arbitration and request a list of arbitrators from the Oregon State Employee Relations Board within thirty (30) days of the **COUNTY's** Step 3 meeting.

Section 3 – Arbitration Guidelines

- (A) In the event the respective representatives of the **COUNTY** and the **UNION** cannot agree to the selection of an arbitrator within eight (8) calendar days, final selection shall be accomplished with one party, to be determined by lot, first striking off one of the five (5) names submitted by the State Mediation and Conciliation Service and thereafter the parties alternately striking names until one name remains.
- (B) The arbitrator shall have no authority to alter, modify, amend, vacate or change any terms or conditions of this Agreement, to substitute their judgment for that of either party in any instance where the parties have exercised their rights under the terms of this Agreement, nor shall the arbitrator decide on any condition which is not specifically treated in this Agreement.
- (C) The Award of the Arbitrator may or may not include back pay, provided however, that any back pay award shall not be in excess of the amount of wages and benefits actually lost during the period from sixty (60) days prior to the filing of the grievance and the date of implementation of the arbitrator's award, less any compensation that the employee actually received.
- (D) The Decision and Award of the arbitrator shall be submitted within thirty (30) calendar days following the presentation of the case, and such decision shall be final and binding on both parties.
- (E) The **COUNTY** and the **UNION** agree that the loser of the arbitration shall pay the full expenses and Arbitration fees of the arbitrator only; the **COUNTY** and the **UNION** shall assume individual liability for the cost of their respective witnesses.
- (F) The arbitrator shall identify the losing party in the arbitration hearing and so state in the written decision to both parties.

Section 4 – General Provisions

- (A) All meetings and hearings under this procedure shall be kept informal and private, and shall include only such parties in interest and/or designated representatives as referred to in this Article.
- (B) All information relative to the grievance and resolutions accomplished via the procedure shall be considered exempt from public disclosure to the extent allowed by law.
- (C) The **UNION** shall designate authorized representatives to investigate and process grievances on behalf of the **UNION** and shall notify the **COUNTY** of any changes in such authorization.
- (D) All grievance proceedings and reasonable investigation time, where practicable, shall be held during the regular business hours when county facilities are open, on **COUNTY** premises and without loss of pay or recrimination to the aggrieved party and/or a designated representative. It is understood that the **COUNTY** shall not incur overtime liability as a result of such proceedings or investigation.
- (E) A grievance may be terminated at any time upon receipt of a signed statement from the employee, or duly designated representative, stating the matter is no longer at issue. A grievance settlement without **UNION** concurrence shall not prejudice any position taken by the **UNION** during the grievance proceedings.
- (F) A resolution of a grievance reached at or after Step 3 of this procedure, and approved by the Department Head, shall have the same effect as an arbitration award on the department involved.

Section 5 – Time Limits

- (A) Any time limit in this procedure may be extended for reasonable cause by mutual agreement and be binding on both parties. Such agreement, when practicable, shall be reduced to writing and signed by both parties or by mutual consent via email. Failure by the aggrieved party and/or designated representative to properly observe time limits as stated without such agreement shall cause the grievance to become null and void.
- (B) Should the appropriate management personnel fail to respond to the grievance at any level within the time limits prescribed, exclusive of the provisions of Paragraph (A) above, the grievant may immediately appeal to the next higher step in the procedure.

Section 5 – Licenses

The **COUNTY** shall continue to reimburse employees for the cost of occupational licenses/certifications and registrations required for the performance of their jobs.

Section 6 – Non-discrimination

Section 7 – Uniforms

- (A) The **COUNTY** shall furnish a maximum of one hundred twenty dollars (\$120) for reimbursement of required uniforms and shall reimburse replacement costs to a maximum of one hundred twenty dollars (\$120) annually, provided that proof of needed replacement and actual purchase is furnished to the **COUNTY**.

ARTICLE 8

SELECTION/PROMOTION

Section 1 – Job Posting

- (A) Vacant bargaining unit positions, except those filled by lateral transfer or promotion as provided below, shall be posted for employment applications.
- (B) Non-probationary bargaining unit members who desire promotion may submit a request to be considered for promotion to the Human Resources office at any time. Such request shall specify the classification(s) to which the employee wishes to be promoted. When a position in a classification for which an employee has filed a promotional request becomes vacant, the employee will be notified and may apply.
- (C) Where the **COUNTY** believes that fewer than three (3) qualified bargaining unit employees will apply, the **COUNTY** shall have the option of posting the vacancy in-house or recruiting from outside the bargaining unit.

Section 2 – Legal Requirements

The **COUNTY** and the **UNION** both recognize that there may be a legal requirement to place an employee into a position due to the reinstatement rights of an injured worker, an employee returning from military or other protected leave, a court order, an accommodation under the Americans with Disability Act, or similar mandated rights that may take precedence over the provisions of this Article.

Section 3 – Promotional Preference

Permanent, non-probationary bargaining unit employees who complete an official employment application and who meet the minimum qualifications for the classification shall be granted promotional preference for all bargaining unit classifications.

- (A) All postings will be displayed in a central location electronically through the **COUNTY**'s website. Further, Supervisors/Hiring Authorities shall notify all AFSCME staff of positions opening within their respective departments.
- (B) Employees may fill out the AFSCME Promotional Request form at any time of the year and will be immediately added to the promotion list.
 - (1) Completing the AFSCME Promotional Request form only guarantees that the employee will be sent a recruitment announcement. Once the employee has been notified of the promotional opportunity, the employee must complete an employment application for the vacant position.
 - (2) Employees who will be absent from work for more than one week have a responsibility to notify Human Resources in writing or by e-mail of where they may be reached if they want to be notified of any promotional opportunities.
 - (3) Employees should keep a copy of the completed promotional request form in order to help themselves remember positions for which they have requested promotional notification. Employees will receive notification only of those positions listed on their promotional request form.
 - (4) Employees can keep themselves informed of current posted positions by accessing the on-line County Employment Opportunities web page.

- (5) Employees must keep Human Resources notified of their current address and phone number.

- (C) Human Resources staff will accept electronic and/or paper Promotional Request forms and maintain an up to date promotional request file. When a vacant AFSCME position is posted, Human Resources will send a copy of the recruitment announcement individually to the employees on the promotional notification list for that classification via the employee's current email address on file.

- (D) Promotional preference will occur subject to the following:
 - (1) As determined by the **COUNTY**, promotional eligibility shall be based on:
 - (a) Supplemental questionnaire and/or examination score;
 - (b) Seniority - The weight of the questionnaire and/or examination shall be one hundred (100) points with a passing score of seventy percent (70%). All employees who achieve a score of at least seventy percent (70%) will receive seniority points at the rate of two (2) points for each six (6) months of employment up to a maximum of sixty (60) points (fifteen (15) years of service).
 - (c) Veteran's Preference – Employees who are veterans will have five (5) points added to their score. Employees who are disabled veterans will have ten (10) points added to their score. Employees must include the appropriate documentation verifying their veteran status, a DD214 or DD215 long form and/or disabled documentation, for each position for which they apply.
 - (2) Candidates for internal promotion as determined in Paragraph 1 above and all veterans who meet the minimum and special qualifications shall be referred to the appointing authority for an employment interview. The appointing authority may select any of the candidates referred.
 - (3) All employees on layoff status shall be given an opportunity to apply for any bargaining unit vacancy in any classification which has a pay grade above that of their previous classification and for which they are qualified. When applying for the vacant bargaining unit position, the employee on layoff status shall be eligible as an in-house candidate, subject to the provisions above.

- (E) If a minimum of three (3) qualified applicants who are currently members of the bargaining unit apply for the position and receive a score of at least seventy percent (70%) on the questionnaire/examination as specified in Section 3 (D) above, all internal candidates who score at least seventy percent (70%) and all veterans who meet the minimum and special qualifications shall be referred to the appointing authority for an employment interview. The appointing authority may select any of the candidates referred.

Section 4 – Outside Recruitment

If fewer than three (3) qualified employees apply for promotion and receive a score of seventy percent (70%) on the questionnaire/examination, the appointing authority may select one of the qualifying internal applicants or applications may be accepted from other sources. For each vacancy, candidates from all sources, including all promotional candidates who have scored seventy percent (70%) or more on the questionnaire/examination as well as all veterans who have met the minimum and special qualifications, shall be referred to the appointing authority for an employment interview. The appointing authority may select any of the candidates referred.

Section 5 – Lateral Transfers

- (A) Lateral transfers are generally made from one authorized position to another within the same classification. Lateral transfers may also be made to other classifications at the same pay grade or one (1) pay grade lower either within the department or in a different department provided that employees wishing to transfer can demonstrate that they meet the minimum qualifications for the new classification. The **COUNTY** may require an employee wishing a transfer to pass the same test required to qualify for promotion.
- (B) Supervisors/Hiring Authority will notify all employees within their department of any vacant position before going to the recall or transfer list to allow any interested qualified staff member in the same classification the option of a reassignment of duties. After any reassignments occur, the department will notify Human Resources of the vacant position with specific information. Human Resources will assist with the educational process by checking to see that departments have dealt with internal reassignments before requesting a transfer list or that a position be posted. Reassignment will not be required if the only eligible employees are within the program and location opening the recruitment.
- (C) Lateral transfers will only be considered when a position becomes vacant unless there are two or more transfer candidates who can "trade" positions. If an employee is interested in being considered for lateral transfer, the employee must submit a written request for lateral transfer, clearly explaining the employee's interests, to Human Resources (or the Department of Public Safety for positions within that Department). The request must be received before a position is posted in order for a transfer request to be considered. Human Resources staff will accept electronic and/or paper Transfer Request forms and maintain an up to date transfer file.
- (D) Employees are responsible for updating and maintaining their electronic and/or paper Transfer Request form. Human Resources will send a courtesy reminder to employees during the first week of January each year to update or maintain their Transfer Request form. The reminder will be sent electronically; however, in sections of the County where employees do not have access to computers, supervisors will post reminders in a central location. Employees who will be absent from work for more than one (1) week have a responsibility to notify Human Resources in writing or via e-mail of where they may be reached if they want to be considered for any transfer position. Further, employees must keep Human Resources notified of their current address, personal email address and phone number.
- (E) When a vacancy occurs, Human Resources will contact appropriate employees on the transfer list, as defined above, in Section 5 (A) to determine employees' interest in a specific position. All employees indicating an interest will be referred to the department for consideration. Included with this list will be an outline of appointing authority responsibility.
- (F) When the department receives the list of transfer candidates from Human Resources, the memo will be specific in what the department's responsibilities are towards those candidates.
- (G) When an opening occurs in the appropriate classification, transfer candidates shall be interviewed for the position before the position is posted. The hiring authority must contact all transfer candidates to schedule interviews. If unable to contact candidates immediately, the hiring authority will continue to try to make contact for at least three (3) days.
- (H) Departments are not required to fill a position with a transfer candidate. They may elect to post the position pursuant to Section 1 of this Article.
- (I) Accepting a transfer position will remove the employee's name from the transfer list. The employee will be required to contact Human Resources and complete a new transfer request form to be placed back on the transfer list.

Section 6 – Department of Public Safety Positions

- (A) All bargaining unit positions within the Department of Public Safety shall be excluded from Sections 1 through 5 of this Article except that Section 1 (A) and Section 2 of this Article shall apply.
- (B) Bargaining unit employees working in the Department of Public Safety shall be fully eligible for promotional preference for all other bargaining unit positions as provided in this Article.

Section 7 – Reclassifications

The following shall govern the reclassification of filled positions in the bargaining unit:

- (A) Incumbents in positions being reclassified upward must meet the minimum qualifications for the new classification.
- (B) If, over time, the complexity or level of responsibility of a position increases, the department may submit a request for reclassification to Human Resources. Affected employee(s) shall be notified of all requests for reclassification. If an employee believes the duties of the position have changed sufficiently to justify a reclassification, the employee may request a reclassification from the department.
- (C) If an upward reclassification is predicated on a reorganization, all interested employees within the department presently classified in the next lower classification level and who meet minimum qualifications shall be interviewed for the position. Selection will be based on experience, qualifications and seniority from amongst those employees interviewed. The **UNION** and all eligible employees will be notified of the opportunity.
- (D) If a position is reclassified downward, the layoff procedures of this Agreement, Article 16 shall take effect, unless the incumbent employee elects voluntary demotion.
- (E) The **UNION** and the affected bargaining unit employee shall be notified of all final classification decisions within ten (10) days.

Section 8 – Flex Staff Series

After an employee has been employed at the entry level in a flexibly staffed classification for a period of one (1) year, the employee may be advanced to the journey level subject to the following:

- (A) The employee is remaining in the same position.
- (B) The employee meets the minimum qualifications for the journey level.
- (C) The employee is performing, at an acceptable level, the duties of the journey level.
- (D) An employee, who has been at the entry level for eighteen (18) months or more, may request to be moved to the journey level. Such request shall be approved or denied by the Department Director within fourteen (14) days. The Department Director's decision shall be based upon Paragraphs A, B and C, above.
- (E) Denial of a request to move to the journey level may be appealed by filing a written appeal with Human Resources within fourteen (14) days of receiving the denial from the Department Director.
- (F) The County Administrator, or designee, shall have ultimate and final authority to approve or disapprove any request for movement from the entry level to the journey level.

- (G) Upon moving from the entry level to the journey level, an employee shall be placed on a step in the journey level pay grade with a minimum of a five percent (5%) salary increase.
- (H) Flexibly staffed classifications are those classifications identified in Appendix C.

Section 9 – Probationary Period

- (A) The probationary period is an integral part of the employee selection process and provides the **COUNTY** and the probationer an equal opportunity to observe each other to determine the desirability of a continued working relationship. As part of the selection process it likewise provides each with an equal opportunity to discontinue that working relationship at any time during the established probationary period.
- (B) The **COUNTY** reserves the right, as part and parcel of the selection process, to reject any probationary employee during the initial probationary period without recourse, if in the **COUNTY**'s opinion such rejection is in the best interest of the **COUNTY**. In the event of the rejection of a probationary employee, the **COUNTY** shall notify such employee two (2) weeks prior to the effective date of such rejection, or at the option of the **COUNTY**, shall provide two (2) weeks' pay in lieu of such notice.
- (C) New bargaining unit employees shall serve an initial probationary period of six (6) continuous months worked. Employees failing to receive a successful or better evaluation rating on their probationary review may have their probationary period extended for a period not to exceed ninety (90) days with the consent of the **UNION**. During such extension, the employee shall be entitled to all benefits under this Agreement except that they may not grieve termination of employment.
- (D) Employees who are transferred from one position to another but do not change classification or employees who are reclassified shall not serve a new probationary period.
- (E) Employees who are promoted to another classification shall serve a new probationary period. Such employees who fail, as determined by the **COUNTY**, to satisfactorily meet the requirement of the new position or classification, at any time during the probationary period, shall be returned to the previously held position or classification in the former department. Employees rejected in probation shall not be eligible to compete for a position in the same classification under the same work unit for a period of one (1) year.
- (F) Any probationary employee not notified of performance deficiencies noted during the first one-half (1/2) of the probationary period may assume such performance has been acceptable to date. It is understood that such performance does not presume continued employment for the balance of the probationary period.

ARTICLE 9

HOURS OF WORK AND OVERTIME

Section 1 – Workday/Workweek

The workday is defined as twenty-four (24) hours commencing at 2200 hours. The workweek is defined as seven (7) consecutive workdays in the calendar week commencing at 2200 hours on Friday and ending at 2159 hours on the following Friday.

Section 2 – Normal Work Schedule

An employee will normally work eight (8) hours in a workday and five (5) days in a workweek and shall normally receive two (2) consecutive days off, but not necessarily in the same workweek.

Section 3 – Employee Work Schedule

- (A) It is recognized that the **COUNTY** may, from time to time, find that changes in individual or operational work schedules are in the best interest of governmental operations. It is agreed that the **COUNTY** may make such changes, provided that except in the case of emergency or when the change is initiated by an employee, the **COUNTY** shall notify the employee affected at least ten (10) calendar days prior to implementation of such changes. Regular work schedules shall be established as far in advance as the **COUNTY** reasonably feels is practical. The ten (10) day notice of schedule change shall not be required for employees assigned to modified duty under worker's compensation.
- (B) Temporary work schedule changes for the purpose of meeting statutory requirements shall not be subject to the provisions of this Section. Emergency shall be defined as any unforeseeable circumstance or situation requiring the presence of personnel to conduct **COUNTY** business as deemed necessary by the **COUNTY**.
- (C) Work schedules shall not be temporarily changed for the purpose of avoiding the wage provisions of this Agreement.
- (D) It is understood that employees shall not have the privilege of selecting work schedules; however, the **COUNTY** shall make a good faith attempt to avoid making change in working schedules which result in an expressed undue hardship to affected employees and will, within operational limitations, consider requests for shift preference. While the **COUNTY** shall retain the final decision relative to work schedules, any voluntary agreement reached between a Department Director and the affected employees which is consistent with the Agreement, relative to work scheduling procedures and criteria shall be followed unless amended.
- (E) It is understood that Animal Welfare Officers within Lane County Animal Services shall have the privilege of selecting work schedules based on seniority provided that work schedule requests are made prior to January 31 and July 31 of each year. Such exercise of seniority shall be limited to two (2) selections per each calendar year.
- (F) Persons in continuous operations of twenty-four (24) hours per day and seven (7) days per week who are subject to rotated shifts shall not be required to work more than seven (7) continuous days on a shift change without a day off.
- (G) Exempt employees may flex their work schedule within the eighty (80) hour bi-weekly pay period provided they receive supervisory approval. When an Exempt employee has an emergent, unanticipated work need and prefers to subsequently flex the time, the employee may work the necessary time without prior supervisory approval.

Section 4 – Alternate Work Schedules

- (A) In the event the **COUNTY** initiates work schedule changes resulting in a change in the number of days per week or hours per day, to be worked, the **COUNTY** shall include with the notice an explanation of any changes in overtime calculations. It is agreed that in no event shall an employee be required to work more than forty (40) straight time hours in the workweek.
- (B) An employee may submit a written request to the appropriate supervisor for an ongoing change in work hours and/or workdays of the employee's work schedule. Such requests may provide a four (4), ten (10) hour day or a four (4), nine (9) hour day and one (1), four (4) hour day or other schedules provided, however, no schedule shall be allowed which in any way conflicts with the Fair Labor Standards Act.
- (C) When an employee works a four (4), ten (10) hour day work schedule pursuant to Section (A) above, or an alternate work schedule pursuant to Section (B) above, all hours worked pursuant to the schedule shall be considered regular hours and not subject to the overtime provisions of this Agreement.
- (D) Supervisors shall make a good faith effort to accommodate requests for an alternate work schedule. The final decision to grant or deny any request for an alternate work schedule shall be at the sole discretion of the Department Director and the decision shall not be subject to the grievance and arbitration provisions of this Agreement.

Section 5 – Overtime

- (A) When the **COUNTY** requires non-exempt employees to work overtime, the following shall apply:
 - (1) Authorized overtime work shall be compensated by payment at the rate of one and one-half (1-1/2) times the regular hourly rate. If the employee and the department agree, an equivalent credit of compensatory time off may be given in lieu of the paid overtime.
 - (2) Except as modified by Section 4 above for full-time employees, except those who go into a leave without pay status during the workweek, all paid time in excess of forty (40) hours in any workweek or eight (8) hours in a day shall be considered overtime work. Overtime will be paid for all hours worked beyond the normal scheduled work hours.
 - (3) For part-time employees and full-time employees who are not in a paid status for forty (40) hours in a workweek, all additional hours worked will be paid on a one-to-one basis (1:1) up to forty (40) hours per week. Hours over forty (40) shall be considered overtime. Additionally, except as modified by Section 4 above, all time worked in excess of eight (8) hours in a workday shall be considered overtime work.
 - (4) The **COUNTY** shall be the sole judge as to the necessity, requirement and qualifications of personnel to work overtime. The **COUNTY** agrees to recognize and consider seniority in regards to overtime assignments.
 - (5) It is understood that for the purposes of overtime calculations, employees working shifts, which overlap workdays, shall be assumed to have completed their shift on the day in which it commenced.
 - (6) Overtime shall be compensated only once for the same hours worked.
 - (7) Overtime shall be calculated to the nearest tenth (10th) hour worked.
 - (8) Any non-exempt employee, having worked on each of seven (7) consecutive days, shall be

- paid at the rate of two (2) times the regular straight time for all work performed on such seventh (7th) day, provided that said employee has worked forty (40) regular hours in the workweek. For the purposes of this provision, the first day worked will be the employee's first scheduled workday in the workweek.
- (9) The classifications exempted from the provisions of this section are indicated in Schedule A, Salary Schedule attached hereto.
- (B) When the needs of the **COUNTY** require exempt employees to work overtime, the following shall apply:
- (1) Overtime work shall be compensated at the rate of one (1) hour of compensatory time off for one hour of overtime worked.
 - (2) All hours worked in excess of forty (40) paid hours in any workweek or eighty (80) paid hours in a pay period shall be considered overtime work.
 - (3) The **COUNTY** expects exempt employees to exercise prudent judgment in the scheduling of their time to minimize any overtime work.
 - (4) The **COUNTY** agrees to recognize and consider seniority in regards to required overtime assignments.
 - (5) Overtime shall be compensated only once for the same hours worked.
 - (6) Overtime shall be calculated to the nearest (nearest tenth (10th) hour worked.
- (C) Full-time employees may accrue up to a maximum of eighty (80) hours of compensatory time. The maximum compensatory time allowed for part-time employees will be forty (40) hours. All time recorded over maximum accrual will be paid out.
- (D) Any unused accumulated compensatory time off shall be paid out at the time of termination, death or transfer to another department.

Section 6 – Meal/Rest Periods

- (A) Employees shall be allowed one (1) rest period of fifteen (15) minutes duration in each one-half (1/2) shift, which insofar as is practicable, shall be in the middle of each half shift, such time to begin when the employee leaves their work station, and to end when the employee returns to their work station.
- (B) Employees who are required to work beyond their regular quitting time shall be allowed a fifteen (15) minute rest period before commencing overtime work provided that it can be reasonably foreseen that such overtime will exceed two (2) hours duration.
- (C) Unpaid meal periods shall not be less than thirty (30) minutes, nor more than one (1) hour in duration. Those employees specifically required to remain at their work site and perform work in lieu of a meal period will receive pay for the time worked at the rate of time and one half.
- (D) Employees required to work in excess of two (2) hours beyond their regular scheduled shift shall be granted a minimum of one-half (1/2) but not more than one (1) hour paid meal period. It is understood that the duration of such periods shall be determined by the **COUNTY**.
- (E) Employees on the swing or graveyard shift shall receive a paid meal period not to exceed one half (1/2) hour in duration and shall be subject to call by the **COUNTY**.

Section 7 – Cleanup Time

Employees shall be afforded necessary time, as determined by the **COUNTY**, for the purpose of cleanup prior to the conclusion of the work day. Animal Welfare Officers will be allowed to change out of their uniforms during this time.

Section 8 – Reporting Place

- (A) Non-exempt employees shall report to their regular place of reporting so as to begin work at the designated starting time and shall return to their reporting place so as to be off work by the designated quitting time.
- (B) Exempt employees shall report to work so as to meet the requirements of their jobs.

Section 9 – Call-back Pay

- (A) For all employees, other than indicated below, who are required to report back to the worksite prior to their next scheduled shift shall be paid a minimum of two (2) hours of pay at the applicable straight or overtime rate or for actual hours worked, whichever is greater. For employees in the Department of Technology Services who are required to perform work off-site via remote access prior to their next scheduled shift will be paid a minimum of one (1) hour of pay at the applicable straight or overtime rate or for actual hours worked, whichever is greater.

COUNTY shall give good faith consideration to part time employees' interests regarding an alternate work schedule provided that the **COUNTY's** operational needs can be met. When work requirements are such that a team or work group approach is necessary for productive and/or effective accomplishment of work, the **COUNTY** may develop a single modified work schedule which seems to best accommodate the interests of the majority of employees on the team or work group and meet the operational needs of the **COUNTY**. The team or work group shall have the option of determining whether to operate using the normal or modified work schedule.

- (c) If the **COUNTY** does not permit part time employees an opportunity for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b), above, employees shall receive full holiday pay for the actual hours they would have worked on the holiday.

However, as an option, upon mutual agreement between the Supervisor and the employee an alternate day off may be granted. The alternate day off must be taken by the end of the fiscal year. If the employee has requested the time and the request has been denied due to **COUNTY** requirements the time off will be granted within the following thirty (30) calendar days.

(E) Holiday During Leave

Should an employee be on authorized paid leave when a holiday occurs, such holiday shall not be charged against such leave or vacation.

(F) Friday Following Thanksgiving

The Friday following Thanksgiving, though not to be construed as a holiday for pay purposes, shall be considered a day off with pay except for those employees required by the **COUNTY** to

report for work. Employees so required to work shall be given an alternate day off at the mutual convenience of the **COUNTY** and the affected employee. The alternate day must be taken between the Friday following Thanksgiving and the end of the fiscal year. For eligible regular part time and eligible temporary employees who are not covered under Section 3, Personal Time Off, hours are to be based on the average hours scheduled during the two (2) pay periods prior to the Friday following Thanksgiving.

(D) Part-time employees

Eligible, part-time employees shall accrue and use time off under this program on a pro rata basis using the percentage of full-time the employee was paid in the previous two pay periods as a base.

(E) Existing Vacation

- (1) An employee's existing vacation accrual at the time of July 1, 1987 will be preserved in a separate balance. Employees with an existing vacation balance will have the option of charging leave to either the vacation balance or the time management balance. At the time of termination or retirement, any vacation balance shall be paid out at the then current salary rate on a one for one basis.
- (2) Upon the termination of an employee, or in the event of the death of an employee, the employee's vacation balance shall be paid out.

(F) Usage

- (1) Subject to the terms provided herein, earned leave time shall be available for use as it is earned.
- (2) During the course of the year, absences from work for any reason other than on-the-job illness or injury covered by Workers' Compensation, disability leave as provided for in Section 5 of this Article, or paid holiday shall be charged against the employee's accrued leave balance. Earned leave shall accrue whenever an employee is on paid status with the **COUNTY**. Employees do not accrue earned leave when on leave without pay.
- (3) Time management requested and taken on a given day shall be equal to the number of hours the employee actually takes off work provided that such time shall not exceed the number of hours the employee would normally have worked on that day.

(G) Maximum Accumulation

An employee may accumulate earned leave, excluding the separate vacation balance, if any, to a maximum of twice their annual time management accumulation. As of the end of the pay period in which March 31 falls in each year, any employee credited with accrued leave greater than twice their annual leave accumulation shall forfeit that amount above their maximum accumulation. An employee who has acquired the maximum allowable accumulation of earned leave may continue to accumulate earned leave for the balance of the year in which the maximum accrual was reached, provided, however, that the employee must reduce the accumulation to the maximum allowable prior to the following March 31 or forfeit the excess.

(H) Termination

After six (6) months of service, upon the termination of an employee, the employee's accrued time management leave balance as of the date of termination shall be converted into pay at the rate of one (1) hour for each two (2) hours of accrued time management leave.

(I) Death

After six (6) months of service, in the event of the death of an employee, all accumulated earned leave shall be paid to the employee's personal representative at the current rate of pay.

(J) Scheduling

- (1) Employees shall, whenever possible, request time-off in advance by at least fifty percent (50%) of the requested time off. Use of such leave must be scheduled between the employee and the **COUNTY**. When an employee is sick or an emergency occurs requiring their presence elsewhere, the employee must notify their supervisor prior to the start of the employee's shift unless circumstances prevent the employee from doing so. If there is a situation that requires the employee to leave their worksite after the start of their scheduled shift, the employee shall notify their supervisor prior to leaving the workplace as appropriate per workgroup (examples include, but are not limited to: in-person, phone call, email, or text message). Substantiation of illness, injury, or emergency may be required by the **COUNTY** when a pattern of excessive use of time management without prior supervisor approval interfering with operations has been documented. The first time an employee is absent without pay, without advance supervisor approval, the **COUNTY** may require the employee to have one counseling session with the **COUNTY** provided Employee Assistance Program provider.
- (2) Supervisors shall respond in a timely fashion to written requests for leave. Requests for leave submitted after the January 15 seniority option, shall be deemed to be approved if not denied within fourteen (14) days of receipt for requests submitted more than two (2) months ahead within seven (7) days for requests submitted two (2) weeks to two (2) months ahead, and within fifty percent (50%) of advance time for requests submitted less than two (2) weeks ahead. All leave requests after January 15 shall be on a first come first serve basis.
- (3) Leave shall be scheduled by the **COUNTY** based primarily upon the needs of efficient operation, the availability of relief, and being responsive to the needs of the employee to use earned leave. Employees shall be responsible for planning and initiating requests for leave. Supervisors will make a good faith effort to accommodate all leave requests. Requests made more than one (1) week in advance or fifty percent (50%) of the time off requested, whichever is greater, will be granted under normal circumstances, provided that the number of employees gone simultaneously is not excessive. For purposes of this Section, the phrase "normal circumstances" is not intended to apply to periodic times of high workload demands, but is intended to apply to consistent workloads that are quite heavy as a result of layoffs or other general staffing shortages. In case of conflicts between employees concerning the scheduling of leave, the employee with the longest period of continuous service with the **COUNTY** shall be given first consideration, provided that leave requests are made prior to January 15 of each year. Such exercise of seniority shall be limited to one (1) selection per each calendar year. In extenuating circumstances, the **COUNTY**, when practicable, will attempt to accommodate requests for leave schedule modifications.

(K) Conversion

- (1) Employees may sell accrued time management hours and vacation hours subject to the following restrictions:
 - (a) The maximum number of time management hours and vacation hours that can be converted into paid compensation in a calendar year cannot be greater than the number of hours taken in that same calendar year or eighty (80) hours whichever is the lesser.
 - (b) Employees must have a balance of at least forty (40) hours of time management after selling the time.

- (c) The time management leave hours must be either scheduled or used prior to any conversion pursuant to this provision.
- (2) Subsection (1) above notwithstanding, during the last three (3) calendar years prior to retirement eligibility, employees may sell up to 200 hours per calendar year of their annual leave accrual at the current rate of pay. Extensions of an employee's scheduled retirement date notwithstanding, no employee will be entitled to this benefit in more than three (3) years.
- (3) Subsection (1) above notwithstanding, employees who are laid off may sell back up to a maximum of eighty (80) hours of time management inclusive of any time management previously sold back in that year. If and when employees are recalled, within the first six (6) months of recall, they may buy back all or part of their previously accrued leave balances at the rate in effect at the time they are recalled at the same ratio at which they were paid out.

(L) Procedure for Donation of Time Management

Time Management Donations will be allowed on a case-by-case basis and will require approval by the Human Resources Director. Employees who have an extreme emergent situation, have no available earned leave time, and will not qualify for short-term or long term disability through the **COUNTY**, may request Time Management Donations through the following procedure:

- 1) Employee or the employee's co-workers may make a request in writing to their supervisor stating the nature of the emergent condition and the reason for the request.
- 2) The Supervisor will review the request, verify the employee's leave balance, and check to see if other options are available. If it is found that no leave is available, the request will be forwarded to the Department Director. If the Department Director concurs, the request is forwarded to the HR Director for approval.
- 3) Employees of the Department are notified of need and given an opportunity to donate. In order for this policy to be most effective, employees should be given a specific period of time in which to donate hours.
- 4) The necessary Donation of Time Management Hours form is provided by the department and when filled out is submitted directly to Payroll in order to maintain confidentiality. Names of donors will remain confidential.
- 5) When an employee must take time off from work, hours will be coded as leave without pay. Donated hours are transferred to the employee's account as needed by Central Payroll. The donated Time Management hours may not be used for any other purpose than the emergency for which they are intended. The department is responsible for monitoring these hours and should notify Central Payroll if there are hours that are not eligible for donated time.
- 6) When the emergent situation has ended, any donated hours not used will be credited back to donors on a pro-rata basis.
- 7) Donations will be based on time donated, not dollar value of donation.
- 8) The 80-hour eligibility period for Disability Leave defined in Section 5 (B) below will not be subject to this program. An exception may be granted by the HR Director.

Section 3 - Personal Time Off (PTO)

In lieu of Time Management accrual and holiday pay, temporary employees covered by this agreement, excluding Fee Collectors, will accrue Personal Time Off (PTO) at a rate of .115385 hours per each hour worked with a maximum accrual of 120 hours in a fiscal year.

- (A) PTO cannot be sold during the time a temporary employee is employed.
- (B) PTO will be cashed out at a rate of 1:1.
- (C) PTO will be cashed out upon termination or upon the depletion of the 1040 hours.
- (D) PTO must be exhausted to take unpaid leave.
- (E) PTO must be used if an employee takes time off during a regularly scheduled work day including holidays.

Section 4 – Occupational Illness or Injury

Employees who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid their regular salary minus any applicable employee contributions for lost time for the first ninety (90) calendar days of the employee's on-the-job illness or injury. Such time shall not be charged against any earned leave balance.

Section 5 – Non-Occupational Disability Leave

- (A) After completion of six (6) months of employment, if a non-occupational illness or injury exceeds the eighty (80) hour elimination period, the **COUNTY** will provide compensated time off at the employee's regular rate of pay for the first two (2) weeks of disability, or any part thereof; at ninety percent (90%) pay for the next two (2) weeks, or any part thereof; at eighty percent (80%) pay for the next two (2) weeks, or any part thereof; at seventy percent (70%) for the next two (2) weeks, or any part thereof; and at sixty-six and two-thirds percent (66-2/3%) any remaining disability period.
- (B) All disability leave pay is less any Workers' Compensation benefits for which the employee may be entitled following the elimination period until the employee is released to return to work up to a maximum of ninety (90) days within one hundred five (105) calendar days from the first day of absence for a specific illness or injury.
- (C) The date on which an employee is unable to report to work due to a specific illness or injury will be the first day of absence for purposes of establishing qualifications for non-occupational disability leave.
- (D) The employee will be required to satisfy the eighty (80) hour elimination period prior to qualifying for disability leave benefits. Once the eighty (80) hours are satisfied, the employee will not be required to fulfill a new elimination period for the same illness or injury so long as the elimination period and the disability leave do not exceed a total period of one hundred five (105) calendar days from the first day of absence or eligibility for long-term disability insurance coverage, whichever occurs first. Disability leave, including but not limited to the elimination period and paid leave hours, shall be prorated for part-time employees.
- (E) An employee whose disability leave exceeds two (2) weeks beyond the elimination period, thereby becoming eligible for a reduced percentage of pay, may choose to offset the reduction from their regular pay by charging time to their accrued time management or vacation leave balance. Disability leave, including but not limited to the elimination period and paid leave hours,

shall be prorated for part-time employees.

It is understood that disability leave for any reason shall not exceed that period during which the employee is in fact physically unable to return to work, as substantiated by the employee's physician.

- (F) It is understood that any time off charged to disability leave pursuant to this Section may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article 5, Discipline and Discharge, of this Agreement.
- (G) Employees who have hours remaining in the Extended Illness Bank shall not lose those hours. However, no additional hours will be added to this bank. Extended Illness Bank hours may be used for the sole purpose of off-setting the use of Time Management hours to meet the eighty (80) hour elimination period prior to the start of disability leave. After sixty (60) hours have been charged to the Time Management balance, the remaining hours of the elimination period shall be charged to any remaining balance in the employee's Extended Illness Bank until the employee has exhausted available Extended Illness Bank hours.
- (H) Employees who are on disability leave shall not accrue Time Management. However, if an employee returns to work, with an appropriate medical release, they will accrue Time Management for the actual hours worked.

Section 6 – COUNTY Paid Bereavement

If an employee is offered recall to a lower classification as listed above, and refuses said offer, the employee will only be eligible for recall to the classification held at the time of layoff. Therefore, except as otherwise specifically provided in this Agreement, the **COUNTY** and the **UNION**, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter covered by this Agreement without mutual consent.
