Section 2 - Division of Labor

Work historically performed by bargaining unit members shall not normally be performed by non-bargaining unit employees. This is not to be construed to change existing practices where, for example, a supervisor performs bargaining unit duties as part of their normal duties or when unforeseen circumstances arise that require their temporary assignment.

ARTICLE 2

MANAGEMENT RIGHTS

Section 1 - Retention of Rights

- (A) The **COUNTY** retains all rights respecting decisions and actions affecting the operation and management of its business where not specifically in conflict with this Agreement.
- (B) It is agreed that the management of the **COUNTY** and the direction of the work force, including but not limited to, the right to hire, promote, transfer, assign, suspend, demote, to discharge or otherwise discipline employees; to increase or to decrease the work force; to determine the methods, means, personnel and schedules by which the efficiency of government operations entrusted to the **COUNTY** are to be maintained; to establish, revise and implement safety and health standards; to contract or subcontract work; to discontinue all or any part of its operations; to transfer work from the bargaining unit; to determine the need for additional educational courses, training programs, on-the-job training and cross-training; to assign employees to such duties for periods to be determined by the **COUNTY**; to establish new jobs, or eliminate or modify existing job classifications; to adopt and enforce rules, regulations, policies and procedures governing the conduct of its work forces, provided however, such rules, regulations, policies and procedures shall be fairly enforced; and to take whatever other action is deemed appropriate by the **COUNTY**, is vested exclusively in the **COUNTY** except when specifically in conflict with this Agreement.

Section 2 - Uniform Application

Any rule or procedure issued under the Management Rights clause shall be uniformly applied to all affected employees who are similarly situated.

Section 3 - Contracting Out

It is the general policy of the **COUNTY** to utilize its employees to perform work consistent with their job classifications. However, the **COUNTY** reserves the right to contract out any work that it deems necessary in the interest of efficiency, economy and improved work product or emergency. Except in case of an emergency, prior to making its final determination, the **COUNTY** agrees to notify the **UNION** in writing, and upon timely written request of the **UNION** (within fourteen (14) days), following the provisions of Article 17, Section 1 - Change in Conditions prior to implementing any decision to Contract out bargaining unit work.

ARTICLE 3

DUES DEDUCTION/FAIR SHARE

Section 1 - Fair Share and Religious Exemption

- (A) It shall be a condition of employment that all bargaining unit employees covered by this Agreement who are members of the **UNION** shall remain members in good standing and all new employees shall, on the thirty-first (31st) day following employment, either become members of the **UNION** and shall pay monthly **UNION** dues, or pay the amount specified by the **UNION**, as in-lieu-of fees except as expressly modified in paragraph B.
- (B) Employees covered by this Agreement may choose non-association with the **UNION** based on bona fide religious tenets or teaching of a church or religious body of which such employee is a member. Such employee must request the exemption under the **UNION** policy and procedure in effect. If an employee's request for religious exemption is granted, the employee will pay the **UNION** an amount of money equivalent to regular union dues and initiation fees and assessments, if any, to a nonreligious charity or to another charitable organization mutually agreed upon by the employee and the **UNION**. If the employee pays the charity directly, the employee must furnish written proof of payment to both the **UNION** and the **COUNTY** showing that this has been done.

Section 2 - Deduction of Dues and Fees

- (A) The **UNION** shall notify the **COUNTY** of the current rate of dues and in-lieu-of dues fees in a timely manner which will enable the **COUNTY** to make necessary payroll deductions as specified below.
- (B) Pursuant to Section 1, the **COUNTY** shall deduct from the paycheck for the second pay period of each month of all employees in the bargaining unit the specified amount for the payment of **UNION** membership or payment in-lieu-of dues, to the **UNION**. At the option of the **UNION**, instead of monthly dues deduction, the **COUNTY** shall deduct from each paycheck the specified amount, proportionate to monthly, for the payment of **UNION** membership, or payment in-lieu-of dues, to the **UNION**.
- (C) The **COUNTY** agrees to deduct on a monthly basis from the payroll check of employees covered by this agreement who so request in writing voluntary contributions to be paid to the treasurer of American Federation of State, County, and Municipal Employees Public Employees Organized to Promote Legislative Equality, also referred to as "PEOPLE." In accordance with ORS 243.702, the parties agree that if these types of voluntary contributions are declared to be legally invalid at any point during the life of this Agreement, then this section shall be reopened for negotiation upon request by either party.

Section 3 - Maintenance of Membership

All members of the bargaining unit who are members of the **UNION** as of the effective date of the Agreement, or who subsequently voluntarily become members of the **UNION**, shall continue to maintain membership status in the **UNION** during the term of this Agreement. This section shall not apply to the thirty (30) day period of the expiration of this Agreement for those employees who, by written notice sent to the **UNION** and the **COUNTY**, indicate their desire to withdraw membership from the **UNION**.

Section 4 - Dues Transmittal/Hold Harmless

- (A) The **COUNTY** agrees to remit the aggregate deductions, together with an itemized statement to the **UNION**, by the first day of the succeeding month after such deductions are made.

(B) The **UNION** agrees to release the **COUNTY** and save the **COUNTY** harmless from any liability whatsoever in performing its obligations as specified in this Article. Reasonable costs incurred in the defense of the **COUNTY** in any legal action brought against the **COUNTY** for implementing the provisions of this Article shall be borne by the **UNION**. The **COUNTY** agrees to cooperate fully in the defense of the claim. Nothing in this section shall be construed as to limit the **COUNTY's** obligation to deduct and transmit dues and fees to the **UNION**.

ARTICLE 4

UNION RIGHTS

Section 1 - Union Activity

- (A) The **UNION** or its representatives shall have the right to conduct official **UNION** business on **COUNTY** property at such times and in a manner which does not interrupt **COUNTY** operations or efficiency. The Human Resources Director or designee can issue approval for the **UNION** President to leave their station with supervisory notification. Nothing herein is to be construed as a right of an employee to leave their station without supervisory approval.

The **UNION** shall conduct all business on other than **COUNTY** time except as expressly authorized elsewhere in this Agreement.

- (B) The **COUNTY** agrees to furnish bulletin boards to be placed in designated places in each work area. The **UNION** shall limit the use of such bulletin boards to the posting of notices of general interest and **UNION** meetings, exclusive of objectionable material, and shall maintain the bulletin boards in good order.
- (C) The **UNION** shall have access to **COUNTY** duplication equipment, upon appropriate prior approval, at such times as it is available, at the applicable **COUNTY** rate. It is understood that **COUNTY** use shall take priority over **UNION** use of such equipment. Use shall be by **UNION** members on their own time.
- (D) Employee members of the **UNION** bargaining team shall not suffer loss in pay while participating in bona fide negotiation sessions between the **UNION** and the **COUNTY**, provided, however, that the number of such employees shall be limited to the President and First Vice President of AFSCME Local 2831 and three (3) additional employees. The **COUNTY** will inform the **UNION** if they believe the selected employees will result in an operational impact. If this occurs, the **UNION** and the **COUNTY** will discuss potential adjustments.
- (E) The **COUNTY** agrees that accredited representatives of the **UNION** shall have reasonable access to the premises of the **COUNTY** for the purpose of ascertaining whether this Agreement is being observed. **UNION** representatives shall first report their presence and intentions to the director of the appropriate department, or designated representatives, and shall conduct their activities in a manner which avoids loss of time or disruption of operations.
- (F) An employee, but not more than one (1) who accepts an official position with the **UNION** may, if no serious disruption of operations, with thirty (30) days advance notice, be granted a leave of absence without pay not to exceed six (6) calendar months in duration. Such employee shall be reinstated by the **COUNTY** provided that such employee notifies the **COUNTY** in writing of their intent to return to work thirty (30) calendar days in advance and provided further that said employee is still qualified to perform the applicable job duties. Only one (1) leave shall be granted to an employee in any eighteen (18) month period.
- (G) The **COUNTY** agrees to furnish the **UNION**, in response to reasonable written requests from time to time, information pertaining to employees covered by this Agreement, which is readily and reasonably available to **COUNTY** Administration in the regular course of business and not exempt from public disclosure.
- (1) When the **UNION** submits to the **COUNTY**, or any agent thereof, a request for information the **COUNTY** shall quickly estimate the staff time required to obtain the requested information and the number of copied pages that could be produced as a result of the request.

- (2) If it is estimated that the information request will require a total of less than one (1) hour of staff time to research, retrieve and/or compile the information as well as require one hundred (100) or less copied pages, the **UNION** will not be charged for the information request.
 - (3) If it is estimated that request will require one (1) hour or more of staff time to research, retrieve and/or compile or require more than one hundred (100) copied pages, any response to said information request will be suspended until such time as representatives of the **COUNTY** and the **UNION** can discuss the matter. The purpose of any such discussion will be to provide the **UNION** an opportunity to clarify or modify its request as well as for the parties to agree to charges that are reflective of operative **COUNTY** regulations or standard procedures.
 - (4) Likewise similar procedures would be applied to the **COUNTY** for any information request submitted to the **UNION**, but in no event shall the **UNION** assess rates that exceed the **COUNTY**'s.
 - (5) The **UNION** will make a good faith effort to have its agents better craft their requests for information.
- (H) By request, the **COUNTY** shall furnish the current mailing addresses of all bargaining unit members to the **UNION**, except for those employees who request that their addresses not be disclosed. Costs shall be the responsibility of the **UNION** at the rate of established fees for public record requests.
- (I) **COUNTY** employees have the right to join and participate in the activities of the **UNION** for the purposes of representation and collective bargaining with the **COUNTY** on matters concerning employment relations as long as a loss of time or disruption of **COUNTY** business is not incurred.
- (J) The **COUNTY** agrees that where, in the judgment of the **COUNTY**, its operations will not be seriously disrupted, it will allow **UNION** Executive Board Members who are otherwise scheduled to work, but not more than one (1) per Department, to attend Executive Board meetings after 5:00 p.m. without pay.

Section 2 - COUNTY-UNION Meetings

From time to time issues of mutual concern will arise which may need discussion between the **COUNTY** and the **UNION**. Such discussion, when practicable, shall be held during regular working hours on **COUNTY** premises and without loss of pay to participating employees, provided that such employees shall not exceed two (2) in number. Notice of the prospective topics of discussion shall be furnished with the request for a meeting. Nothing in this provision is to be construed as a requirement of either party to negotiate on any matter during the term of this Agreement.

Section 3 - Information

The **COUNTY** agrees to make available to the **UNION** electronically, at no cost, a copy of all regulations, and copies of the Lane Code, Administrative Procedures Manual, Lane Manual and classification specifications, including amendments and additions. Within thirty (30) days after execution of this Agreement, the **COUNTY** will update the above documents made available to the **UNION**. The **UNION** will pay for additional copies of the Lane Code, the Lane Manual and the Administrative Procedures Manual, if needed. Additions and amendments to the Lane Code, Lane Manual, Administrative Procedures Manual and classification specifications shall not become effective until the **UNION** has been sent an electronic copy.

Section 4 - Protection of Rights

- (A) The parties shall not interfere with, restrain or coerce employees in or because of the exercise of rights guaranteed under ORS 243.650 to 243.782 or this Agreement and the **COUNTY** further

agrees not to dominate or interfere with or assist in the formation, existence or administration of the **UNION** or any successor employee organization.

- (B) The parties agree that any acts described within this section constitute Unfair Labor Practices under ORS 243.672 and are subject to appeal and review by the Employment Relations Board pursuant to Oregon Administrative Rules, Chapter 115, Division 35. Therefore, this section is not subject to Article 6 - Grievance Procedure of this Agreement and shall be subject exclusively to the applicable Oregon Revised Statutes and Oregon Administrative Procedures. Further, if an Unfair Labor Practice Complaint is filed, any grievance over the issue becomes null and void, and the issue shall become subject exclusively to the applicable Oregon Revised Statutes and Oregon Administrative Procedures.

Section 5 - Officers and Representatives

The **UNION** shall provide a current list of its officers and representatives to the Labor Relations Manager, or designated representative. The **UNION** shall notify the Labor Relations Manager, or designated representative, of changes to this listing in a timely fashion.

Section 6 – Orientation of Union Employees

The **COUNTY** agrees to notify the **UNION** monthly of all new employees hired into bargaining unit positions and to provide reasonable time for the union representatives to meet with new employees.

ARTICLE 5

- (E) Notice of disciplinary action shall normally be provided to the employee within fourteen (14) calendar days from the date the **COUNTY** had, or should reasonably have had, knowledge of the occurrence for which the action is being taken. Calendar days shall not include any paid leave days. When the Department notifies the individual that a formal investigation is being conducted which may result in discipline, the Department will also notify the **UNION** and advise the **UNION** of anticipated length of the investigation. This notification requirement shall not apply to informal investigations, or investigations conducted by the Sheriff, District Attorney or any outside agency.

Section 2 - Pre-disciplinary Hearing

When the **COUNTY** intends to take disciplinary action involving discharge or suspension, the **COUNTY** shall notify the non-probationary employee and the **UNION** in writing of the charges against the employee and the proposed disciplinary action and shall provide the employee with the opportunity to respond to the charges at a hearing with the supervisor or person having authority to impose the proposed disciplinary action. In the event this proceeding is recorded, the **COUNTY** will provide a copy of the recording and/or transcript to the **UNION**.

- (A) The non-probationary employee whose discipline involving discharge or suspension is being considered shall be granted fourteen (14) calendar days (or more by mutual agreement) to prepare for the disciplinary hearing.

(C) **STEP 3**

- (1) If, after proceeding through Step 2 above, the grievance is still unresolved, the aggrieved party and/or designated representative may refer it to the Department Director, no later than seven (7) calendar days from the date the grievant receives the Step 2 response or date when said response is due.

- (2) The Department Director, or designee, and the **COUNTY's** Labor Relations Manager shall meet with the grievant and the designated representative no later than fifteen (15) days from receipt of the Step 3 appeal. The Department Director shall provide the **COUNTY's** written response within fifteen (15) days from the date of the Step 3 meeting.
- (3) Should the **COUNTY** be the aggrieved party, the matter shall be introduced at this step.
- (4) Any grievance which involves discharge, or is of a class action nature, may be introduced at this step,

(D) **STEP 4**

If the Step 3 response from the **COUNTY** is not acceptable, the **UNION** may submit the matter for arbitration and request a list of arbitrators from the State Employment Relations Board within thirty (30) days of the **COUNTY's** Step 3 meeting.

Section 3 - Arbitration Guidelines

- (A) In the event the respective representatives of the **COUNTY** and the **UNION** cannot agree to the selection of an arbitrator within eight (8) calendar days, final selection shall be accomplished with one (1) party, to be determined by lot, first striking off one of the five (5) names submitted by the State Mediation and Conciliation Service and thereafter the parties alternately striking names until one (1) name remains.
- (B) The arbitrator shall have no authority to alter, modify, amend, vacate or change any terms or conditions of this Agreement, to substitute their judgment for that of either party in any instance where the parties have exercised their rights under the terms of this Agreement, nor shall the arbitrator decide on any condition which is not specifically treated in this Agreement.
- (C) The award of the Arbitrator may or may not include back pay provided, however, that any back pay award shall not be in excess of the amount of wages and benefits actually lost during the period from sixty (60) days prior to the filing of the grievance and the date of implementation of the arbitrator's award, less any compensation that the employee actually received.
- (D) The Decision and Award of the arbitrator shall be submitted within thirty (30) calendar days following the presentation of the case and such decision shall be final and binding on both parties.
- (E) The **COUNTY** and the **UNION** agree that the loser of the arbitration shall pay the full expenses and arbitration fees of the arbitrator only; the **COUNTY** and the **UNION** shall assume individual liability for the cost of their respective witnesses.
- (F) The arbitrator shall identify the losing party in the arbitration hearing and so state in the written decision to both parties.

Section 4 - General Provisions

- (A) All meetings and hearings under this procedure shall be kept informal and private and shall include only such parties in interest and/or designated representatives as referred to in this Article.

- (C) The **UNION** shall designate authorized representatives to investigate and process grievances on behalf of the **UNION** and shall notify the **COUNTY** of any changes in such authorization.

- (D) All grievance proceedings and reasonable investigation time, where practicable, shall be held during the regular business hours when **COUNTY** facilities are open, on **COUNTY** premises and without loss of pay or recrimination to the aggrieved party and/or a designated representative. It is understood that the **COUNTY** shall not incur overtime liability as a result of such proceedings or investigation.
- (E) The **COUNTY** agrees to send a copy of all grievance responses pursuant to this Article to the designated representative of the **UNION** on the same day as the grievant.
- (F) A grievance may be terminated at any time upon receipt of a signed statement from the employee, or duly designated representative, stating the matter is no longer at issue.

Section 5 - Time Limits

- (A) Any time limit in this procedure may be extended for reasonable cause by mutual agreement and be binding on both parties. Such agreement, when practicable, shall be reduced to writing and signed by both parties or by mutual consent via email. Failure by the aggrieved party and/or designated representative to properly observe time limits as stated without such agreement shall cause the grievance to become null and void.
- (B) Should the appropriate management personnel fail to respond to the grievance at any level within the time limits prescribed, exclusive of the provisions of paragraph (A) above, the grievant may immediately appeal to the next higher step in the procedure.

- (A) The **COUNTY** may raise parking fees to match fees in the market area, however only one change may be made during the life of the contract.
- (B) The "Market Area" used by the **COUNTY** to establish parking fees will be defined as all parking lots, except the most expensive lot and least expensive lot, between High and Charnelton Streets on the East and West, and 4th and 11th Streets on the North and South of the Lane County Public Service Building and the Courthouse.

ARTICLE 8

SELECTION/PROMOTION

Section 1 - Job Posting

- (A) Vacant bargaining unit positions, except those filled by lateral transfer or promotion as provided below, shall be posted for employment applications.
- (B) Permanent, non-probationary bargaining unit members who desire promotion or lateral transfer may submit a request to be considered to the Human Resources office at any time. Such request shall specify the classification(s) to which the employee wishes to be promoted or transferred. When a position in a classification to which an employee has filed a promotional or transfer request becomes vacant, the employee will be notified and may apply.

Section 2 – Legal Requirements

The **COUNTY** and the **UNION** both recognize that there may be a legal requirement to place an employee into position due to the reinstatement rights of an injured worker, an employee returning from military or other protected leave, a court order, an accommodation under the Americans with Disability Act, or similar mandated rights that may take precedence over the provisions of this Article.

Section 3 - Promotional Preference

Non-probationary bargaining unit employees who complete an official employment application and who meet the minimum qualifications for the classification shall be granted promotional preference for all bargaining unit positions. Promotional preference will occur subject to the following:

- (A) All postings will be displayed in a central location electronically through the **COUNTY**'s website. Further, Supervisors/Hiring Authorities shall notify all AFSCME staff of positions opening within their respective departments.
- (B) Employees may fill out the AFSCME Promotional Request form at any time of the year and will be immediately added to the promotion list.
 - (1) Completing the AFSCME Promotional Request form only guarantees that the employee will be sent a recruitment announcement. Once the employee has been notified of the promotional opportunity, the employee must complete an employment application for the vacant position.
 - (2) Employees going on vacation, for more than one (1) week, have a responsibility to notify Human Resources in writing or by e-mail of where they may be reached if they want to be notified of any promotional opportunities.
 - (3) Employees should keep a copy of the completed promotional request form in order to help themselves remember which positions they have requested promotional notification of. Employees will receive notification only of those positions listed on their promotional request form.
 - (4) Employees can keep themselves informed of current posted positions accessing the on-line **COUNTY** Employment Opportunities web page.
 - (5) Employees must keep Human Resources notified of their current address and phone number.
- (C) Human Resources staff will accept electronic and/or paper Promotional Request forms and maintain an up to date promotional request file. When a vacant AFSCME position is posted, Human Resources will send a copy of the recruitment announcement individually to the

employees on the promotional notification list for that classification via the employee's current email address on file.

- (D) As determined by the **COUNTY**, promotional eligibility shall be based on the score received on the supplemental questionnaire and/or any other appropriate selection tool, and seniority.
- (E) Employees who meet minimum qualifications for the promotional opportunity will receive seniority points at the rate of two (2) points for each six (6) months of employment up to a maximum of fifteen (15) years of service, which will be added to the score from the supplemental questionnaire or other selection tool used to determine qualifications.
- (F) Veteran's Preference – Employees who are veterans will have five (5) points added to their score after providing required documentation. Employees who are disabled veterans will have ten (10) points added to their score after providing required documentation. All current employees who apply for promotional opportunities must include the appropriate documentation verifying their veteran status, a DD214 or DD215 long form and/or disabled documentation, for each position for which they apply.
- (G) Up to the top five (5) candidates for internal promotion as determined in paragraph A above shall be referred to the appointing authority for an employment interview. Departments are not required to fill a position with a promotional candidate. They may elect to post the position pursuant to Section 1 of this Article.
- (H) All employees on layoff status shall be given an opportunity to apply for any bargaining unit vacancy in any classification which has a pay grade above that of their previous classification and for which they are qualified. When applying for the vacant bargaining unit position, the employee on layoff status shall be eligible as an in-house candidate, subject to the provisions above.

Section 4 - Lateral Transfers

- (A) Lateral transfers are generally made from one authorized position to another within the same classification. Lateral transfers may also be made to other classifications at the same pay grade or one (1) pay grade lower either within the department or in a different department provided that employees wishing to transfer can demonstrate that they meet the minimum qualifications for the new classification. The **COUNTY** may require an employee wishing a transfer to pass the same test required to qualify for promotion.
- (B) Supervisors/Hiring Authority will notify all employees within their department of any vacant position before going to the recall or transfer list to allow any interested qualified staff member in the same classification the option of a reassignment of duties. After any reassignments occur, the department will notify Human Resources of the vacant position with specific information. Human Resources will assist with the educational process by checking to see that departments have dealt with internal reassignments before requesting a transfer list or that a position be posted. Reassignment will not be required if the only eligible employees are within the program and location opening the recruitment.
- (C) Lateral transfers will only be considered when a position becomes vacant unless there are two (2) or more transfer candidates who can "trade" positions. If an employee is interested in being considered for lateral transfer, the employee must submit a written request for lateral transfer, clearly explaining the employee's interests, to Human Resources (or the Department of Public Safety for positions within that Department). The request must be received before a position is posted in order for a transfer request to be considered. Human Resources staff will accept electronic and/or paper Transfer Request forms and maintain an up to date transfer file.
- (D) Employees are responsible for updating and maintaining their electronic and/or paper Transfer Request form. Human Resources will send a courtesy reminder to employees during the first week of January each year to update or maintain their Transfer Request form. The reminder will be sent electronically; however, in sections of the County where employees do not have access

to computers, supervisors will post reminders in a central location. Employees who will be absent from work for more than one (1) week have a responsibility to notify Human Resources in writing or via e-mail of where they may be reached if they want to be considered for any transfer position. Further, employees must keep Human Resources notified of their current address, personal email address and phone number.

- (E) When a vacancy occurs, Human Resources will contact appropriate employees on the transfer list as defined above, in Section 4 (A) to determine employees' interest in a specific position. All employees indicating an interest will be referred to the department for consideration. Included with this list will be an outline of appointing authority responsibility.
- (F) When the department receives the list of transfer candidates from Human Resources, the memo will be specific in what the department's responsibilities are towards those candidates.
- (G) When an opening occurs in the appropriate classification, transfer candidates shall be interviewed for the position before the position is posted. The hiring authority must contact all transfer candidates to schedule interviews. If unable to contact candidates immediately, the hiring authority will continue to try to make contact for at least three (3) days.
- (H) Departments are not required to fill a position with a transfer candidate. They may elect to post the position pursuant to Section 1 of this Article.
- (I) Accepting a transfer position will remove the employee's name from the transfer list. The employee will be required to contact Human Resources and complete a new transfer request form to be placed back on the transfer list.

Section 5 - Department of Public Safety Positions

All bargaining unit positions within the Department of Public Safety shall be excluded from Sections 1 through 3 of this Article except that Section 1 (A) shall apply. Bargaining unit employees working in the Department of Public Safety shall be fully eligible for promotional preference for all other bargaining unit positions as provided in this Article.

Section 6 - Reclassification

The following shall govern the reclassification of filled positions in the bargaining unit:

- (A) Incumbents in positions being reclassified upward must meet the minimum qualifications for the new classification.
- (B) If, over time, the complexity or level of responsibility of a position increases, the department may submit a request for reclassification to Human Resources. Affected employee(s) shall be notified of all requests for reclassification. If an employee believes the duties of the position have changed sufficiently to justify a reclassification, the employee may request a reclassification from the department.
- (C) If a position is reclassified downward, the layoff procedures of this Agreement, Article 16 shall take effect, unless the incumbent employee elects voluntary demotion.
- (D) The **UNION** shall be notified of all reclassifications within ten (10) days of approval.

Section 7 – Flex Staff Series

After an employee has been employed at the entry level in a flexibly staffed classification for a period of one (1) year, the employee may be advanced to the journey level subject to the following:

- (A) The employee is remaining in the same position.

- (B) The employee meets the minimum qualifications for the journey level.
- (C) The employee is performing, at an acceptable level, the duties of the journey level.
- (D) An employee, who has been at the entry level for eighteen (18) months or more, may request to be moved to the journey level. Such request shall be approved or denied by the Department Director within fourteen (14) days. The Department Director's decision shall be based upon Paragraphs A, B and C, above.
- (E) Denial of a request to move to the journey level may be appealed by filing a written appeal with Human Resources within fourteen (14) days of receiving the denial from the Department Director.
- (F) The County Administrator or designee shall have ultimate and final authority to approve or disapprove any request for movement from the entry level to the journey level.
- (G) Upon moving from the entry level to the journey level, an employee shall be placed on a step in the journey level pay grade with a minimum of a five percent (5%) salary increase.
- (H) Flexibly staffed classifications are those classifications identified in Appendix A.

Section 8 - Probationary Period

- (A) The probationary period is an integral part of the employee selection process and provides the **COUNTY** with the opportunity to upgrade and improve operational efficiency by observing an employee's work, training and aiding employees in adjustment to their positions; and by providing an opportunity to reject any employee whose work performance fails to meet required work standards.
- (B) The **COUNTY** reserves the right, as part and parcel of the selection process, to reject any probationary employee during the initial probationary period for any reason without recourse, if in the **COUNTY's** opinion such rejection is in the best interest of the **COUNTY**. In the event of the rejection of a probationary employee, the **COUNTY** shall notify such employee two (2) weeks prior to the effective date of such rejection, or at the option of the **COUNTY**, shall provide two (2) weeks' pay in lieu of such notice.
- (C) New bargaining unit employees employed in classifications represented by the **UNION**, shall serve a probationary period of six (6) continuous months worked in that classification. Employees failing to receive a successful or better evaluation rating on their probationary review may have their probationary period extended for a period not to exceed one hundred eighty (180) days. Notice shall be given to the **UNION** when a bargaining unit employee's probationary period is extended.
- (D) Employees who are transferred from one position to another but do not change classification, or employees who are reclassified, shall not serve a new probationary period.
- (E) Employees who are transferred or promoted to another classification shall serve a new probationary period which shall be the same period as specified in paragraph (C) above. Such employees, who fail, as determined by the **COUNTY**, to satisfactorily meet the requirement of the new position or classification, at any time during the probationary period, shall be returned to the previously held position or classification in the former department, provided the employee completed the initial six (6) month probationary period prior to the promotion.

ARTICLE 9

HOURS OF WORK AND OVERTIME

Section 1 - Workday/Workweek

The workday is defined as twenty-four (24) hours commencing at 2200 hours. The workweek is defined as seven (7) consecutive workdays in the calendar week commencing at 2200 hours on Friday and ending at 2159 hours on the following Friday.

Section 2 - Normal Work Schedule

An employee will normally work eight (8) hours in a nine (9) hour period or eight (8) hours in an eight and one-half (8-1/2) hour period in a workday and five (5) days in a workweek and shall normally receive two (2) consecutive days off, but not necessarily in the same workweek.

Section 3 - Alternate Work Schedules

- (A) It is recognized that the **COUNTY** may, from time to time, find that changes in individual or operational work schedules are in the best interest of **COUNTY** operations.
- (B) While it is understood that employees shall not have the privilege of selecting work schedules, the **COUNTY** shall make a good faith attempt to avoid making changes in work schedules which result in an expressed undue hardship to affected employees and will within operational limitations consider requests for shift length and/or shift preference based upon seniority. In the event of work schedule changes resulting in a change in the number of days per week, or hours per day, to be worked, the **COUNTY** shall include with the notice an explanation of any changes in overtime calculations. It is agreed that in no event shall an employee be required to work more than forty (40) straight time hours in the workweek.
- (C) When an employee works an alternate work schedule pursuant to (A) or (B) above, all hours worked pursuant to the schedule shall be considered regular hours and not subject to the overtime provisions of this agreement. It is agreed that in no event shall an employee be required to work more than forty (40) straight time hours in the workweek.
- (D) Supervisors shall make a good faith effort to accommodate requests for an alternate work schedule. The final decision to grant or deny any request for an alternate work schedule shall be at the sole discretion of the Department Director and the decision shall not be subject to the grievance and arbitration provisions of this Agreement.
- (E) Work schedules shall not be temporarily changed for the purpose of avoiding the wage provisions of this Agreement.

Section 4 - Employee Work Schedule

- (A) It is recognized that the **COUNTY** may, from time to time, find that changes in individual or operational work schedules are in the best interest of governmental operations. It is agreed that the **COUNTY** may make such changes, provided that except in the case of emergency or when the change is initiated by an employee, the **COUNTY** shall notify the affected employee at least ten (10) calendar days prior to implementation of such changes. Regular work schedules shall be established as far in advance as the **COUNTY** reasonably feels is practical, but in no event shall they be posted less than fourteen (14) days prior to the onset of the work period. The ten (10) day notice of schedule change shall not be required for employees assigned to modified duty under worker's compensation.
- (B) Temporary work schedule changes for the purpose of meeting statutory requirements shall not be subject to the provisions of this section. Emergency shall be defined as any unforeseeable

circumstance or situation requiring the presence of personnel to conduct **COUNTY** business as deemed necessary by the **COUNTY**.

Section 5 - Overtime

When the **COUNTY** requires employees to work overtime, the following shall apply:

- (A) Unless otherwise provided in this section, authorized overtime work shall be compensated by payment at the rate of one and one-half (1-1/2) times the regular hourly rate. If the employee and the department agree, an equivalent credit of compensatory time off may be given in lieu of the paid overtime.
- (B) Except as modified by Section 3 above, all work performed in excess of eight (8) hours in any one (1) workday, or forty (40) hours in a workweek as defined herein, shall be considered overtime work. All hours over forty in the workweek that are worked on the seventh consecutive day of work in the workweek shall be paid at two (2) times the regular hourly rate. Overtime shall not apply to employees who work in excess of five (5) consecutive days if such work period is at the employee's request or in the operation of 24-hour facilities involving rotation to a different shift where overtime would apply after seven (7) consecutive days worked.
- (C) The **COUNTY** shall be the sole judge as to the necessity, requirement and qualifications of personnel to work overtime. The **COUNTY** agrees to recognize and consider seniority in regards to overtime assignments. Overtime shall be authorized in advance when possible, except when unforeseen circumstances arise. Departments shall set forth exceptions, if any, to the advance authorization requirements specified in this section.
- (D) It is understood that for the purposes of overtime calculations, employees working shifts which overlap workdays shall be assumed to have completed their shift on the day in which it commenced.
- (E) Overtime shall be compensated only once for the same hours worked.
- (F) Overtime shall be calculated to the nearest tenth (10th) hour worked.
- (G) When a nurse is called to work after the completion of a shift, without at least eight (8) hours off from the end of their last shift worked, the ensuing hours worked shall be compensated at one and one-half (1-1/2) times their regular hourly rate.
- (H) In the event an employee is on a four (4) day, ten (10) hour shift, overtime will be compensated after ten (10) hours in any workday and after forty (40) hours in any workweek, or after four (4) consecutive workdays, regardless of the workweeks involved.
- (I) Employees may accrue up to a maximum of eighty (80) hours of compensatory time. The maximum compensatory time allowed for part-time employees will be forty (40) hours. All time recorded over maximum accrual will be paid out.

Section 6 - Meal/Rest Periods

- (A) Employees shall be allowed one (1) rest period of fifteen (15) minutes' duration in each one-half (1/2) shift, which insofar as is practicable, shall be in the middle of each half-shift, such time to begin when the employee leaves their work station and to end when the employee returns to their work station.
- (B) Employees who are required to work beyond their regular quitting time shall be allowed a fifteen (15) minute rest period before commencing overtime work provided that it can be reasonably foreseen that such overtime will exceed two (2) hours' duration.

- (C) Unpaid meal periods shall not be less than thirty (30) minutes, nor more than one (1) hour in duration, near the middle of their scheduled shift. Employees required to work during their meal period or portion thereof, shall be paid for that meal period and get another meal period during that shift without pay.
- (D) It is agreed and understood between the parties that the employee's meal period may be interrupted by the **COUNTY's** reasonable operating needs and that such employees are thus subject to call during their meal periods.

Section 7 - Reporting Place

Employees shall report to their regular place of reporting so as to begin work at the designated starting time and shall return to their reporting place so as to be off work by the designated quitting time with approval of their supervisor. When an employee works in more than one reporting place, one location shall be designated as the regular reporting place.

Section 8 - Shift Differential

The **COUNTY** agrees to pay an hourly shift premium of one dollar and fifty cents (\$1.50) in addition to the established wage rate to employees for all shifts worked on other than the designated day shift. The designated day shift shall be considered any shift with hours primarily between the hours of 10:00 a.m. and 6:00 p.m.

Section 9 - On-Call

- (A) An employee who is required to be on-call or on standby during off-duty hours will be compensated at the rate of two (2) hours regular wage per day. If the individual is called to work, they will be paid for the actual hours worked at the applicable straight or overtime rate. To qualify for on-call compensation, an employee must be required to be available for contact by telephone, pager or other telecommunication device and/or to be able to report to work immediately. Except when unforeseeable circumstances occur, no employee shall be required to be on-call more than fourteen (14) days in a twenty-eight (28) day period.
- (B) Except for calls received from a supervisor or manager in response to an oversight of the employee, an employee who receives a phone call during off duty hours shall be compensated for a minimum of one-half (1/2) hour at the applicable straight or overtime rate in accordance with Article 9, Section 1 and Section 5. If a phone call exceeds one-half (1/2) hour in duration, the employee shall be compensated for the actual time of the call. An employee called back a second time within the time frame of the original call back will not be eligible for an additional call-back pay. Exempt employees' compensation will be in the form of compensation time at the rate of one (1) to one (1).

ARTICLE 10

WAGES

Section 1 - Salary Range Adjustments

- (A) The salary ranges in effect at the ratification Board of County Commissioners' approval of this Agreement shall be those set forth in Schedule A and attached hereto. Effective the first full pay period following July 1, 2017, employees on the payroll on the date of the Board of County Commissioners' approval of this Agreement by the COUNTY in the classifications with a negotiated market adjustment will move to the negotiated pay grade. Employees will be placed at a step closest in pay to their current step which does not result in a decrease in pay.
- (B) Effective the first full pay period following January 1, 2018 all employees on the payroll on that date on step one (1) in the Medical Assistant 2 classification will receive a one-time payment of one-hundred and seventy-five dollars (\$175.00).
- (C) Cost of Living Adjustments
 - (1) Effective the first full pay period following July 1, 2017, employees on the payroll on the date the Board of County Commissioners' approval of this Agreement by the **COUNTY**, shall receive a two percent (2%) cost of living adjustment (COLA) and the pay ranges shall be changed to reflect the increase. The salary ranges shall be set forth in Schedule A and attached hereto.
 - (2) Effective the first full pay period following July 1, 2018, employees on the payroll on that date shall receive a two percent (2%) cost of living adjustment (COLA) and the pay ranges shall be changed to reflect the increase. The salary ranges shall be set forth in Schedule B and attached hereto.
 - (3) Effective the first full pay period following July 1, 2019, employees on the payroll on that date shall receive a two percent (2%) cost of living adjustment (COLA) and the pay ranges shall be changed to reflect the increase. The salary ranges shall be set forth in Schedule C and attached hereto.

Section 2- Steps in Compensation Plan

- (A) Employees hired at Step 1 of the compensation plan shall advance to Step 2 upon the completion of six months of employment with the **COUNTY**. Otherwise, step increases shall occur at twelve (12) month intervals unless the employee receives "needs improvement" or lower rating on their performance evaluation.
- (B) Employees who are denied a step increase must be notified in writing prior to the scheduled date of the increase. The notice must identify the areas of deficiency. Employee will be given the opportunity to sign the notice. Employees who are denied a step increase may utilize either the Administrative Procedures Manual (APM) evaluation appeal process or may use the grievance procedure in Article 6. The only permissible claim of contract violation is a management rights violation because the performance deficiency is alleged to be unsubstantiated or the denial is alleged to be inequitable. The parties agree to make every reasonable effort to resolve the issue at or before Step 3.
- (C) In the event an employee's evaluation is not completed within thirty (30) calendar days of when due, the following pay period the employee shall advance to the next higher step.

Section 3 - Promotion

An employee who is promoted to a position in a class with a higher salary range shall normally receive an increase of at least five percent (5%) over the regular salary received prior to the promotion, provided

such increase does not place the employee at a salary above the top of the range for the new classification.

Section 4 - New or Revised Classifications

Should the **COUNTY** establish a new, or substantially modify an old or existing, classification the following shall apply:

- (A) A proposed wage rate shall be established by the **COUNTY**, and provided to the **UNION**.
- (B) The rate proposed by the **COUNTY** shall be deemed as agreeable to the **UNION** at the end of two (2) calendar weeks from the date of notice above unless the **UNION** requests negotiations over the proposed wage rate within that same period.
- (C) Should the **UNION** request to negotiate over the proposed wage rate, the provisions of Article 17, Section 1 (B), Section 1 shall apply.
- (D) No new or modified classification shall be effective until such time as the Board of County Commissioners ratifies the regular wage rate.
- (E) No employee shall incur a salary reduction because of the establishment of a new, or by substantially modifying an existing, classification pursuant to this Article.

Section 5 - Bilingual Differential

- (A) Positions designated as bilingual will receive five percent (5%) additional compensation above the base classification pay.
- (B) Bilingual designation is an adjunct classification, as indicated in Appendix C. The classification specifications will include bilingual skills of a specified level in a specified language or languages. For example, a CHN-2 position requiring bilingual skills would be designated as CHN-B2.
- (C) The **COUNTY** shall determine which positions shall be designated as "B" classifications.
- (D) The **COUNTY** may test for appropriate minimum qualifications for level of fluency to meet the minimum qualifications for the classification specification; this may include testing current employees on an ongoing basis to meet qualification as determined by the **COUNTY**.
- (E) A "B" designated classification shall be considered a separate classification for the purposes of Article 16. In order for an employee in a non-"B" designated classification to bump into a "B" designated classification the employee must meet the minimum qualification for level of fluency for the "B" designated classification.
- (F) The **UNION** may obligate the **COUNTY** to a formal classification review for any classification designated to be a "B" classification under this section. However any such formal review requested under the *Agreement* (Nurses Unit) shall be counted as a request as provided under Article 10 Section 7 (F) of the *Agreement* for the General Unit.

ARTICLE 11

Presidents' Day (3rd Monday in February)	Veterans' Day (November 11)
Memorial Day (Last Monday in May)	Thanksgiving Day
	Christmas Day

(B) Qualifications

The above **COUNTY** holidays are to be paid holidays, but only for eligible and qualified employees. For the purposes of this Article, an eligible and qualified employee shall mean any non-probationary or probationary permanent employee who:

- (1) Reports for work or is on paid leave on their last scheduled work day prior to and first scheduled work day following, the holiday; and
- (2) Whose scheduled work day or paid leave prior to or following the holiday falls within two (2) calendar days of the holiday.

(C) Holiday Pay

- (1) Full-time eligible bargaining unit employees shall be compensated for each holiday as follows:
 - (a) When a bargaining unit employee has requested and is regularly working on an alternate work schedule while other employees within the same division are working a five (5) day, eight (8) hour work schedule, the employee shall have the option of reverting to a five (5) day, eight (8) hour schedule on a week including a holiday or of remaining on the alternate schedule and using two (2) hours of accrued Time Management or compensatory time to supplement the eight (8) hours of holiday time off.
 - (b) When bargaining unit employees are required by the **COUNTY** to work a four (4) day, ten (10) hour work schedule or all of the bargaining unit employees within the Division are on a four (4) day, ten (10) hour schedule, the eligible employees shall receive ten (10) hours compensation for the holiday.
- (2) Part-time eligible bargaining unit employees shall be compensated for each holiday as follows:
 - (a) During the week of a holiday, the **COUNTY** may permit part-time employees an opportunity for modification of their work schedule so as to work additional hours in order to receive a normal pay check, including pro-rated holiday pay, without having to use time management leave or other earned leave.
 - (b) In developing an opportunity for a modified work schedule for the week of a holiday, the **COUNTY** shall give good faith consideration to part time employees' interests regarding an alternate work schedule provided that the **COUNTY's** operational needs can be met.

When work requirements are such that a team or work group approach is necessary for productive and/or effective accomplishment of work, the **COUNTY** may develop a single modified work schedule which seems to best accommodate the interests of the majority of employees on the team or work group and meet the operational needs of the **COUNTY**. The team or work group shall have the option of determining whether to operate using the normal or modified work schedule.

- (c) If the **COUNTY** does not permit part time employees an opportunity for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b), above, employees shall receive full holiday pay for the actual hours they would have worked on the holiday.
 - (d) If part time employees are offered an opportunity by the **COUNTY** for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b) above, and elect not to change from the normal work schedule, employees must use accrued time management leave or other earned leave to supplement the pro-rated holiday pay in order to receive a normal pay check or receive a short pay check based on pro-rated pay for the holiday.
- (3) Compensation for holidays shall be as per the following:
- (a) Pay for each designated holiday which falls on a day the employee otherwise would work, or

- (4) Employees scheduled to work on the holiday, but who do not report, shall forfeit holiday pay unless such absence is for good cause.

(D) Holiday on Day Off

Whenever a holiday shall fall on an employee's scheduled day off, the last normal workday before the holiday or the first normal workday following the holiday (whichever is closer) shall be designated as the holiday. Whenever the Holiday falls equally between workdays, the last workday before the holiday shall be designated as the holiday. However, as an option, upon mutual agreement between the Supervisor and the employee an alternate day off may be granted. The alternate day off must be taken by the end of the fiscal year. If the employee has requested the time and the request has been denied due to **COUNTY** requirements the time off will be granted within the following thirty (30) calendar days.

(E) Holiday During Leave

Should an employee be on authorized paid leave when a holiday occurs, such holiday shall not be charged against time management leave or other earned leave.

(F) Friday Following Thanksgiving

The Friday following Thanksgiving, though not to be construed as a holiday for pay purposes, shall be considered a day off with pay except for those employees required by the **COUNTY** to report for work. Employees so required to work shall be given an alternate day off at the mutual convenience of the **COUNTY** and the affected employee. The alternate day must be taken between the Friday following Thanksgiving and the end of the fiscal year. For eligible regular part time and eligible temporary employees, who are not covered under Section 5, Personal Time Off, hours are to be based on the average hours scheduled during the two (2) pay periods prior to the Friday following Thanksgiving.

Section 2 - Time Management

(A) Purpose

It is the purpose of the employee time management program to provide employees with a leave with pay program which is easy to understand, responsive to individual needs and easy to administer.

(B) Eligibility

This program covers all permanent probationary and non-probationary employees in the bargaining unit. Employees covered by these provisions shall not be eligible for separate leave benefits covering the following:

- (1) Family Emergency;
- (2) Vacation Leave;
- (3) Sick Leave (non-occupational illness or injury leave, excluding disability leave);
- (4) Personal Holidays.

(C) Accumulation

Except as limited in subsection 4, (G) herein, leave time shall be accrued for each hour worked or hour of paid leave at the appropriate rate provided below.

Eligible employees shall accumulate earned leave, based on full-time status, at the following rates:

<u>Months of Service</u>		<u>Earned Leave</u>	<u>Accumulation</u>

(E) Usage

- (1) Subject to the terms provided herein, earned leave time shall be available for use as it is earned.
- (2) During the course of the year, absences from work for any reason unless otherwise specified elsewhere in this Agreement, shall be charged against the employee's accrued leave balance. Earned leave shall accrue whenever an employee is on pay status with the **COUNTY**. Employees do not accrue earned leave when on leave without pay.
- (3) Time management requested and taken on a given day shall be equal to the number of hours the employee actually takes off work provided that such time shall not exceed the number of hours the employee would normally have worked on that day.

(F) Maximum Accumulation

An employee may accumulate earned leave, excluding the separate vacation balance, if any, to a maximum of twice their annual time management accumulation. As of the end of the pay period in which March 31 falls in each year, any employee credited with accrued leave greater than twice their annual leave accumulation shall forfeit that amount above their maximum accumulation. An employee who has acquired the maximum allowable accumulation of earned leave may continue to accumulate earned leave for the balance of the year in which the maximum accrual was reached, provided, however, that the employee must reduce the accumulation to the maximum allowable prior to the following March 31 or forfeit the excess.

(G) Termination

After six (6) months of service, upon the termination of a non-probationary employee, the employee's accrued time management leave balance as of the date of termination shall be converted into pay at the rate of one (1) hour for each two (2) hours of accrued time management leave.

(H) Death

After six (6) months of service, in the event of the death of a non-probationary employee, all accumulated earned leave shall be paid to the employee's personal representative at the current rate of pay.

(I) Scheduling

- (1) Employees shall, whenever possible, request time-off in advance. Use of such leave must be scheduled between the employee and the **COUNTY**. When an employee is sick or an emergency occurs requiring their presence elsewhere, the employee must notify their supervisor prior to the start of the employee's shift unless circumstances prevent the employee from doing so. If there is a situation that requires the employee to leave their worksite after the start of their scheduled shift, the employee shall notify their supervisor prior to leaving the workplace as appropriate per workgroup (examples include, but are not limited to: in-person, phone call, email or text message).
- (2) Supervisors will make a good faith effort to accommodate all leave requests. Requests made more than two (2) days in advance of the time off requested will be granted under normal circumstances, provided that the number of employees gone simultaneously is not excessive. Leave which has not been scheduled with the employee's supervisor at least two (2) working days in advance is defined to be unscheduled. Excessive use or a pattern of unscheduled leave may require written substantiation of illness or emergency nature of leave requirement. Failure to provide legitimate substantiation may result in disciplinary action up to and including discharge.

- (3) Upon receipt of a request for earned leave time off, the **COUNTY** shall grant or deny the request in writing as soon as possible, but in no event, longer than ten (10) days from the date of the request.
- (4) Employees working in the Community Health Centers (“CHC’s”) shall:
 - (a) Be provided an opportunity to have requested leave considered, in addition to the normal considerations for granting leave, on the basis of seniority for requests received from January 1 through January 30. In case of conflicts between employees concerning the scheduling of leave, the employee with the longest period of continuous service with the **COUNTY** shall be given first consideration, provided that leave requests are made prior to January 30. Such exercise of seniority shall be limited to one (1) selection per calendar year.
 - (b) Time Management requests that are denied shall be placed on the Time Management calendar in a waitlist category with a number assigned as to the order on a first come first served basis. The Time Management calendar shall be posted and made visible to all staff.
 - (c) Supervisors shall respond in a timely fashion to written requests for leave. Requests for leave submitted after the January 30 seniority option, shall be deemed to be approved if not denied within fourteen (14) days of receipt for requests submitted more than two (2) months ahead within seven (7) days for requests submitted two (2) weeks to two (2) months ahead, and within fifty percent (50%) of advance time for requests submitted less than two (2) weeks ahead. All leave requests after January 30 each year shall be on a first come first serve basis.

(J) Conversion

- (1) Employees may sell accrued time management hours and vacation hours subject to the following restrictions:
 - (a) The maximum number of time management hours and vacation hours that can be paid out in a calendar year cannot be greater than the number of hours taken in that same calendar year or eighty (80) hours whichever is the lesser.
 - (b) Employees must have a balance of at least forty (40) hours of time management after selling the time.
 - (c) The time management leave hours must be either scheduled or used prior to any conversion pursuant to this provision.
- (2) Subsection (1) above notwithstanding, during the last three (3) calendar years prior to retirement eligibility, employees may sell up to two hundred (200) hours per calendar year of their annual leave accrual at the current rate of pay. Extensions of an employee's scheduled retirement date notwithstanding, no employee will be entitled to this benefit in more than three (3) years.
- (3) Subsection (1) above notwithstanding, employees who are laid off may sell back up to a maximum of eighty (80) hours of time management inclusive of any time management previously sold back in that year. If and when employees are recalled, within the first six (6) months of recall, they may buy back all or part of their previously accrued leave balances at the rate in effect at the time they are recalled at the same ratio at which they were cashed out.

(K) Procedure for Donation of Time Management

Time Management Donations will be allowed on a case by case basis and will require approval by Human Resources Director. Employees who have an extreme emergent situation, have no more than eighty (80) hours of available earned leave time, and will not qualify for short-term or long term disability through the **COUNTY**, may request Time Management Donations through the following procedure:

- (1) Employee or the employee's co-workers may make a request in writing to their supervisor stating the nature of the emergent condition and the reason for the request.
- (2) The Supervisor will review the request, verify the employee's leave balance and check to see if other options are available. If it is found that no leave is available, the request will be forwarded to the Department Director. If the Department Director concurs the request is forwarded to the HR Director for approval.
- (3) Employees of the Department are notified of need and given an opportunity to donate. In order for this policy to be most effective, employees should be given a specific period of time in which to donate hours.
- (4) The necessary Donation of Time Management Hours form is provided by the department and when filled out is submitted directly to Payroll in order to maintain confidentiality. Names of donors will remain confidential.
- (5) When an employee must take time off from work, hours will be coded as leave without pay. Donated hours are transferred to the employee's account as needed by Central Payroll. The donated Time Management hours may not be used for any other purpose than the emergency for which they are intended. The department is responsible for monitoring these hours and should notify Central Payroll if there are hours that are not eligible for donated time.
- (6) When the emergent situation has ended, any donated hours not used will be credited back to donors on a pro-rata basis.
- (7) Donations will be based on time donated, not dollar value of donation.
- (8) The eighty (80) hour eligibility period for Disability Leave defined in Section 4 below will not be subject to this program, unless an exception is granted by the HR Director.

Section 3 - Occupational Illness or Injury

Employees who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid their regular salary minus any applicable employee contributions for lost time for the first ninety (90) calendar days of the employee's on-the-job illness or injury. Such time shall not be charged against any earned leave balance.

Section 4 – Non-Occupational Disability Leave

- (A) After completion of six (6) months of employment, if a non-occupational illness or injury exceeds the eighty (80) hour elimination period, the **COUNTY** will provide compensated time off at the employee's regular rate of pay for the first two (2) weeks of disability, or any part thereof; at ninety percent (90%) pay for the next two (2) weeks, or any part thereof; at eighty percent (80%) pay for the next two (2) weeks, or any part thereof; at seventy percent (70%) for the next two (2) weeks, or any part thereof; and at sixty-six and two-thirds percent (66-2/3%) any remaining disability period.
- (B) All disability leave pay is less any Workers' Compensation benefits for which the employee may be entitled following the elimination period until the employee is released to return to work up to a

maximum of ninety (90) calendar days from the first day of absence for a specific illness or injury.

- (C) The date on which an employee is unable to report to work due to a specific illness or injury will be the first day of absence for purposes of establishing qualifications for non-occupational disability leave.
- (D) The employee will be required to use any available accrued leave to satisfy the eighty (80) hour elimination period prior to qualifying for disability leave benefits. Once the eighty (80) hours are satisfied, the employee will not be required to fulfill a new elimination period for the same illness or injury so long as the elimination period and the disability leave do not exceed a total period of one hundred five (105) calendar days from the first day of absence or eligibility for long-term disability insurance coverage, whichever occurs first. Disability leave, including but not limited to the elimination period and paid leave hours, shall be prorated for part-time employees.
- (E) An employee whose disability leave exceeds two (2) weeks beyond the elimination period, thereby becoming eligible for a reduced percentage of pay, may choose to offset the reduction from their regular pay by charging time to their accrued leave balances. Disability leave, including but not limited to the elimination period and paid leave hours, shall be prorated for part-time employees.

It is understood that disability leave for any reason shall not exceed that period during which the employee is in fact physically unable to return to work, as substantiated by the employee's physician.

- (F) It is understood that any time off charged to disability leave pursuant to this Section may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article 5, Discipline and Discharge, of this Agreement.
- (G) Employees who have hours remaining in the Extended Illness Bank shall not lose those hours. However, no additional hours will be added to this bank. Extended Illness Bank hours may be used for the sole purpose of off-setting the use of Time Management hours to meet the eighty (80) hour elimination period prior to the start of disability leave. After sixty (60) hours have been charged to the Time Management balance, the remaining hours of the elimination period shall be charged to any remaining balance in the employee's Extended Illness Bank until the employee has exhausted available Extended Illness Bank hours.
- (H) Employees who are on disability leave shall not accrue Time Management. However, if an employee returns to work, with an appropriate medical release, they will accrue Time Management for the actual hours worked.

Section 5 - Personal Time Off (PTO)

In lieu of Time Management accrual and holiday pay, temporary employees covered by this agreement, will accrue Personal Time Off (PTO) at a rate of .115385 hours per each hour worked with a maximum accrual of 120 hours in a fiscal year.

- (A) PTO cannot be sold during the time a temporary employee is employed.
- (B) PTO will be cashed out at a rate of 1:1.
- (C) PTO will be cashed out upon termination or upon the depletion of the 1040 hours.
- (D) PTO must be exhausted to take unpaid leave.

- (E) PTO must be used if an employee takes time off during a regularly scheduled work day including holidays.

Section 6 – COUNTY Paid Bereavement

Employees shall receive pay for lost work as a result of a death in the employee's immediate family, to a maximum of three (3) days (need not be consecutive days), or if out of state travel is required, one (1) weeks' pay, at the regular straight time hourly rate. The **COUNTY** may require verification of the family status. Immediate family shall be defined as mother, father, spouse, Registered Domestic Partner, domestic partner (affidavit on file), sister, brother, child (biological, adopted, foster, step-child, or the child of an employee's registered domestic partner), grandparent, grandchild, stepmother, stepfather, father or mother-in-law, son-in-law or daughter-in-law, grandparent-in-law, parent of registered domestic partner, a person with whom the employee is or was in a relationship of in loco parentis or any other relative or spousal equivalent residing in the employee's immediate household. The **COUNTY** shall be notified of the reimbursement leave must be taken within thirty (30) days of death. Any OFLA bereavement leave will run consecutive to **COUNTY** paid bereavement.

Section 7 - Substantiation

It is understood that any time off on disability leave pursuant to Section 4 of this Article may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article 5, Discipline and Discharge, of this Agreement.

Section 8 - Jury Duty

An employee called for jury duty, or subpoenaed as a state's witness in any Municipal, County, State or Federal Court shall, upon receipt by the **COUNTY** of all fees paid to the employee for such service, be reimbursed for loss of wages incurred as a result of such service. Employees called for jury duty on a day when they are not scheduled to work shall be allowed to retain fees paid to the employee by the court for such service. The **COUNTY** shall not change an employee's normal work shift because of jury duty. During the period an employee is on jury duty, an employee shall be deemed to be on day shift.

Section 9 - Leave of Absence

- (A) Leave of absence for good cause may be granted by the **COUNTY** provided that such leaves do not significantly disrupt normal **COUNTY** operations.
- (B) Leaves of absence shall be without pay except as specified elsewhere in this Agreement.
- (C) No payment for any leave of absence shall be made until such leave has been properly approved. Requests for such leaves shall be in writing and applicable upon written receipt of approval from the appropriate appointing authority stating the terms and conditions of the leave. Employees requesting emergency leaves may waive the written requirement, if approved by the **COUNTY**.
- (D) With the exception of military active duty and Peace Corps, a leave of absence without pay may not exceed ninety (90) calendar days, subject to extension on approval of the County Administrator.
- (E) Except and unless an employee who has been granted a leave of absence has, prior to the expiration of the leave of absence, furnished evidence of inability to return to work by reason of sickness, physical disability, or other legitimate reason beyond the control of the employee and who has been granted an extension of the leave of absence by the **COUNTY** and, who for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned and the position shall be declared vacated.

(F) Leaves of absence shall be used only for the purpose for which they are granted.

Section 10 - Military Leave

(A) Annual Training Leave

An employee who has been employed by the **COUNTY** for six (6) months or more and who is a member of the National Guard or of any reserve component of the Armed Forces of the United States is entitled to a leave of absence for a period not to exceed fifteen (15) days in any training year for annual active duty training. The training year coincides with the federal fiscal year. The leave shall be granted without loss of pay or other leave, and without impairment of other rights or benefits to which the employee is entitled, providing the employee received bona fide orders to active or training duty for a temporary period, provides them to the **COUNTY**, and returns to **COUNTY** position immediately upon expiration of the period for which the employee was ordered to duty. Employees may use accrued personal time or leave without pay to cover additional National Guard or reserve training leave, including weekend training.

ARTICLE 16

LAYOFF AND RECALL

Bargaining unit employees with the least seniority within the job classification within a department shall be subject to layoff first unless in the **COUNTY's** judgment, the retention of special skills requires layoff on another basis. If approved by the **COUNTY**, an employee may elect to be subject to layoff even though their seniority may be greater than that of an employee scheduled for layoff.
- (B) Layoff will be by classification and on a Departmental basis only, and in concurrence with the definition of "position."
- (C) Employees subject to layoff shall be given written notification at least fourteen (14) calendar days in advance of the effective date of layoff.

Section 2 - Recall

- (A) All employees on layoff status, including previous bargaining unit employees, shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. Employees shall have recall rights first to the division from which they were laid off, second to the department from which they were laid off and then to County-wide recall, provided they possess the necessary skills, ability and fitness to perform the requirements of the vacant position. If an employee is offered recall to a position in a division other than the one held at the time of layoff and refuses said offer, the employee will remain eligible for recall only to the division and classification from which the employee was laid off.
- (B) The order in which recall/transfer takes place shall be as follows:
 - (1) Reassignment of duties within department within same classification.
 - (2) Primary recall (recall by seniority to the same classification).
 - (3) Secondary recall (recall to a position other than the classification from which the employee was laid off).
 - (4) Transfer.
 - (5) Promotion.
- (C) Response and Status While Subject to Recall
 - (1) Employees on layoff status shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. If an employee is offered recall to another classification, and refuses said offer, the employee will only be eligible for recall to the classification held at the time of layoff. However, an employee shall not be required to accept recall to less than their original hours in order to maintain recall rights, nor shall acceptance of such position negate their recall rights.
 - (2) Further, an employee assigned, or reassigned to a different classification at department initiative subsequent to preliminary notification of layoff, or within ninety (90) calendar days of actual layoff, will be eligible for primary recall to either the classification held at the time of layoff or the one from which reassigned. The employee shall indicate at the time of layoff which classification they wish to retain primary recall rights to. While the employee may retain

secondary recall rights to another classification (s), their primary recall rights shall only apply to the one classification identified at the time of layoff.

- (D) An employee who accepts recall to a lower classification shall retain recall rights to their original classification or original hours in accordance with Section 2 (A) of this Article.
- (E) An employee who accepts recall to a non-bargaining unit position shall retain recall rights in accordance with Section 2(A) of this Article.
- (F) An employee shall not be required to accept recall to a position which is not at their previous reporting place or located more than thirty (30) miles from their place of residence at the time of layoff.
- (G) An employee shall not be required to accept recall to less than their original hours or a temporary position in order to maintain recall rights, nor shall acceptance of such position negate their recall rights. The **COUNTY** shall offer recall employees, extra help and temporary positions on the basis of seniority as such positions become available.
- (H) An employee shall not be required to accept recall to a part-time or temporary position in order to maintain recall rights.

Section 3 - Responsibilities

- (A) In order to assure proper recall procedures, Human Resources will:
 - (1) Maintain an up to date recall list by auditing the computer generated data after each run to assure accuracy.
 - (2) When a vacancy occurs for which there are primary recall candidates, Human Resources will send a notice of recall to the most senior employee on the recall list at the last address on file or their current **COUNTY** work place. The notice shall be in a sealed envelope and delivered in a format where delivery can be verified by the recipient's signature.
 - (3) Human Resources Analysts will maintain a file on all recall candidates for secondary recall (recall to a position other than the classification from which employee was laid off). If there are no primary recall candidates for a vacant position, Human Resources will send all employees eligible for secondary recall a notice including a description of the job and a supplemental questionnaire to be completed and returned within five (5) work days. All those determined to meet minimum qualifications will be referred to the hiring department for interview and selection.
 - (4) Unless otherwise provided in this Article, the most senior candidate shall be recalled. If there are no candidates in the same classification as the vacant position, a list of recall candidates who meet the minimum qualifications of the vacant position as provided in subsection 2 (B) (3) above will be given to the hiring authority. Unless otherwise provided in this Article, recall shall be made from this pool of candidates.
 - (5) Human Resources will continue notifying all employees on layoff status on the recall list of employment opportunities as provided in Section 3 herein. However, a recall candidate may request to be removed from the list under secondary recall and forfeit any future secondary recall rights. The **COUNTY** will notify the union of the candidate's request for removal.
- (B) Employees' responsibilities include:
 - (1) Employees must notify Human Resources of changes in address, phone number or any other change which would prevent Human Resources from being able to contact the employee when a position becomes available (except for those working for Lane **COUNTY**).

- (2) Employees must respond within five (5) business days from the documented date of receipt of notice of recall.
- (3) Employees planning to be out of town should notify Human Resources or notify a friend or relative to contact them immediately if they receive a notice of recall.
- (4) To give recall candidates the best opportunity for rehire, an undated application and resume should be provided to Human Resources Services office.

Section 4 - Opportunity for Work During Layoff

- (A) The **COUNTY** shall offer employment as temporary positions to employees on layoff within the employees' classifications on the basis of seniority as such positions become available. However, if an employee is offered such a temporary position as provided herein and refuses said offer, the employee will only be eligible thereafter for recall as provided in Section 2 herein.
- (B) In the event that no employee accepts an offer of employment, as provided in subsection 3 (B) above, said employment may be offered to other employees, provided said employees possess the necessary skills, ability and fitness to perform the requirements of the available work. The **COUNTY** shall not be required to offer temporary positions to such employees on the basis of seniority.

Section 5 - Separate Classifications

A classification series is a group of classifications with similar duties of increasing complexity and responsibility which comprise the normal promotional progression within an occupation or discipline, for example: Community Health Nurse 1, Community Health Nurse 2, Dental Hygienist, Sr. Dental Hygienist. The groupings set forth in Appendix B shall be considered the classification series.

For the purpose of layoff and recall, both the **COUNTY** and the **UNION** recognize the separate classifications and classification series set forth in Appendix B.

Section 6 - Protection/Rights During Layoff

- (A) The seniority of an employee who has completed probation shall be protected for a period of twenty-four (24) calendar months during layoff, provided that such employee has not refused an opportunity to return to work in their same classification. The employee must immediately notify the **COUNTY** of any change in their mailing address. This notice requirement shall not apply to employees working for the **COUNTY** in other positions. Failure to give notice shall result in the employee relinquishing all rights to recall.
- (B) Notwithstanding the twenty-four (24) month limit above, employees in layoff status still employed by the **COUNTY**, shall have recall rights until they are returned to their original hours (or greater) in their original classification.
- (C) Employees on layoff status shall have the option of paying for continued health insurance coverage, as provided for in COBRA. The **COUNTY** shall administer all such payments.

Section 7 - Termination for Exhaustion of Non-occupational Disability Leave

Employees who have been terminated upon exhaustion of non-occupational disability leave benefits provided under Article 11, Section 4, shall be deemed to have been laid off and shall have recall rights provided that within one (1) year of such termination a written request to be placed on the recall list is made to the Human Resources office. The request must include the employee's statement of willingness to accept regular employment under the terms of this Article and it must be accompanied by a full doctor's release stating clearly and in writing that the employee is fully capable of performing the regular duties of the job. The recall provisions set forth above will apply as if the employee had been laid off as of the date of request for reinstatement.
