  - b. When bargaining unit employees are required by the **COUNTY** to work a four (4) day, ten (10) hour work schedule or all of the bargaining unit employees within the Division are on a four (4) day, ten (10) hour schedule, the eligible employees shall receive ten (10) hours compensation for the holiday.

Leave which has not been scheduled with the employee's supervisor at least thirty (30) calendar days in advance is defined to be unscheduled. Excessive use or a pattern of unscheduled leave may require written substantiation of illness or emergency nature of leave requirement. Failure to provide

legitimate substantiation may result in disciplinary action up to and including discharge.

3. Upon receipt of a request for earned leave time off, the **COUNTY** shall grant or deny the request in writing as soon as possible, but in no event, longer than ten (10) days from the date of the request.
4. When an employee is sick, or an emergency occurs, requiring their presence elsewhere, the employee must notify their supervisor prior to the start of the employee's shift unless circumstances prevent the employee from doing so.   - c. The time management leave hours must be either scheduled or used prior to any conversion pursuant to this provision.
  - d. Subsection (a) above notwithstanding, during the last three (3) calendar years prior to retirement eligibility, employees may sell up to two hundred (200) hours per calendar year of their annual leave accrual at the current rate of pay.

Extensions of an employee's scheduled retirement date notwithstanding, no employee will be entitled to this benefit in more than three (3) years.

- e. Subsection (a) above notwithstanding, employees who are laid off may sell back up to a maximum of eighty (80) hours of time management inclusive of any time management previously sold back in that year.   - a. Employee or the employee's co-workers may make a request in writing to their supervisor stating the nature of the emergent condition and the reason for the request.
  - b. The supervisor will review the request, verify the employee's leave balance and check to see if other options are available. If it is found that no leave is available, the request will be forwarded to the Department Director. If the Department Director concurs the request is forwarded to the HR Director for approval.
  - c. Employees of the Department will be notified of need and given an opportunity to donate. Employees will be given a specific period of time in which to donate hours.
  - d. The necessary Donation of Time Management Hours form is provided by the department and when filled out is submitted directly to Payroll in order to maintain confidentiality. Names of donors will remain confidential.
  - e. When an employee must take time off from work, hours will be coded as leave without pay. Donated hours are transferred to the employee's account as needed by Central Payroll. The donated Time Management hours may not be used for any other purpose than the emergency for which they are intended. The Department is responsible for monitoring these hours and will notify Central Payroll if there are hours that are not eligible for donated time.
  - f. When the emergent situation has ended, any donated hours not used will be credited back to donors on a pro-rata basis.
  - g. Donations will be based on time donated, not dollar value of donation.
  - h. The eighty (80) hour eligibility period for Disability Leave defined in Section 4 below will not be subject to this program, unless an exception is granted by the HR Director.

### **Section 3 – Occupational Illness or Injury**

Employees who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid their regular salary minus any applicable employee contributions for lost time for the first ninety (90) calendar days of the employee's on-the-job illness or injury. Such time shall not be charged against any earned leave balance.

### **Section 4 – Non-Occupational Disability Leave**

- (A) After completion of six (6) months of employment, if a non-occupational illness or injury exceeds the eighty (80) hour elimination period, the **COUNTY** will provide compensated time off at the employee's regular rate of pay for the first two (2) weeks of disability, or any part thereof; at ninety percent (90%) pay for the next two (2) weeks, or any part thereof; at eighty percent (80%) pay for the next two (2) weeks, or any part thereof; at seventy percent (70%) for the next two (2) weeks, or any part thereof; and at sixty-six and two-thirds percent (66-2/3%) any remaining disability period.
- (B) All disability leave pay is less any Workers' Compensation benefits for which the employee may be entitled following the elimination period until the employee is released to return to work up to a maximum of ninety (90) calendar days from the first day of absence for a specific illness or injury.
- (C) The date on which an employee is unable to report to work due to a specific illness or injury will be the first day of absence for purposes of establishing qualifications for non-occupational disability leave.
- (D) The employee will be required to use any available accrued leave to satisfy the eighty (80) hour elimination period prior to qualifying for disability leave benefits. Once the eighty (80) hours are satisfied, the employee will not be required to fulfill a new elimination period for the same illness or injury so long as the elimination period and the disability leave do not exceed a total period of one hundred five (105) calendar days from the first day of absence or eligibility for long-term disability insurance coverage, whichever occurs first. Disability leave, including but not limited to the elimination period and paid leave hours, shall be prorated for part-time employees.
- (E) An employee whose disability leave exceeds two (2) weeks beyond the elimination period, thereby becoming eligible for a reduced percentage of pay, must offset the reduction from their regular pay by charging time to their accrued leave balances. Disability leave, including but not limited to the elimination period and paid leave hours, shall be prorated for part-time employees.
- (F) It is understood that disability leave for any reason shall not exceed that period during which the employee is in fact physically unable to return to work, as substantiated by the employee's physician.
- (G) It is understood that any time off charged to disability leave pursuant to this Section may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article 5, Discipline and Discharge, of this *Agreement*.

- (H) Employees who are on disability leave shall not accrue Time Management. However, if an employee returns to work, with an appropriate medical release, they will accrue Time Management for the actual hours worked.

### **Section 5 – COUNTY Paid Bereavement**

Employees shall receive pay for lost work as a result of a death in the employee's immediate family, to a maximum of three (3) days (need not be consecutive days), or if out of state travel is required, one (1) weeks' pay, at the regular straight time hourly rate. The **COUNTY** may require verification of the family status. Immediate family shall be defined as mother, father, spouse, Registered Domestic Partner, domestic partner (affidavit on file), sister, brother, child (biological, adopted, foster, step-child, or the child of an employee's registered domestic partner), grandparent, grandchild, stepmother, stepfather, father or mother-in-law, son-in-law or daughter-in-law, grandparent-in-law, brother-in-law, sister-in-law, parent of a domestic partner, a person with whom the employee is or was in a relationship of in loco parentis or any other relative or spousal equivalent residing in the employee's immediate household. The **COUNTY** shall be notified of the spousal equivalent, if applicable, in writing prior to the need for this leave. In order to receive reimbursement leave must be taken within thirty (30) days of death. Any OFLA bereavement leave will run consecutive to **COUNTY** paid bereavement.

### **Section 6 – Substantiation**

It is understood that any time off on disability leave pursuant to Section 4 of this Article may require substantiation to the satisfaction of the **COUNTY** prior to compensation. Failure to provide satisfactory substantiation will result in denying compensation and may result in disciplinary action pursuant to Article 5, Discipline and Discharge, of this *Agreement*.

### **Section 7 – Jury Duty/Court Leave**

An employee called for jury duty, or subpoenaed as a state's witness in any Municipal, County, State or Federal Court shall, upon receipt by the **COUNTY** of all fees paid to the employee for such service, be reimbursed for loss of wages incurred as a result of such service. Employees called for jury duty on a day when they are not scheduled to work shall be allowed to retain fees paid to the employee by the court for such service. The **COUNTY** shall not change an employee's normal work shift because of jury duty. During the period an employee is on jury duty, an employee shall be deemed to be on day shift. Employees who are absent for personal related court appearances must use accrued leave balances.

### **Section 8 – Leave of Absence**

- (A) Leave of absence for good cause may be granted by the **COUNTY** provided that such leaves do not significantly disrupt normal **COUNTY** operations.
- (B) Leaves of absence shall be without pay except as specified elsewhere in this *Agreement*.
- (C) No payment for any leave of absence shall be made until such leave has been properly approved. Requests for such leaves shall be in writing and applicable upon written receipt of approval from the appropriate appointing authority stating the terms and conditions of the leave. Employees requesting emergency leaves may waive the written requirement, if approved by the **COUNTY**.

- (D) With the exception of military active duty and Peace Corps, a leave of absence without pay may not exceed ninety (90) calendar days, subject to extension on approval of the County Administrator.
- (E) Except and unless an employee who has been granted a leave of absence has, prior to the expiration of the leave of absence, furnished evidence of inability to return to work by reason of sickness, physical disability, or other legitimate reason beyond the control of the employee and who has been granted an extension of the leave of absence by the **COUNTY** and, who for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned and the position shall be declared vacated.
- (F) Leaves of absence shall be used only for the purpose for which they are granted.

### **Section 9 – Military Leave**

#### (A) Annual Training Leave

An employee who is a member of the National Guard or of any reserve component of the Armed Forces of the United States is entitled to a leave of absence for a period not to exceed fifteen (15) days in any training year for annual active duty training. The training year coincides with the federal fiscal year. The leave shall be granted without loss of pay or other leave, and without impairment of other rights or benefits to which the employee is entitled, providing the employee received bona fide orders to active or training duty for a temporary period, provides them to the **COUNTY**, and returns to **COUNTY** position immediately upon expiration of the period for which the employee was ordered to duty. Employees may use accrued personal time or leave without pay to cover additional National Guard or reserve training leave, including weekend training.

#### (B) Military Leave While on Active Duty

Employees called for active duty will be granted leave without pay in accordance with state and federal law. See the **COUNTY**'s Administrative Policy Manual for more information. If state or federal law changes during the life of the contract, notwithstanding (A) above, the **COUNTY** will grant military leave in accordance with the updated law.

### **Section 10 – Unexcused Absence**

Absence of an employee from duty, including any absence for a single day or part of a day, which is not authorized by a specific grant or leave of absence under the provisions of this *Agreement*, shall be deemed to be an unexcused absence without pay and subject to disciplinary action including discharge.

### **Section 11 – Subrogation**

Any employee who sustains any illness or injury and continues to receive their regular wages from the **COUNTY** shall be obligated to return to the **COUNTY** any payment they may receive reimbursing them for lost wages from a third party(ies). For example, if the employee is a victim in a motor vehicle accident and recovers lost wages from a third party(ies) or the third party's(ies) insurance carrier, the employee must reimburse the **COUNTY** for the disability wages paid to them by the **COUNTY**. In addition, it is recognized that the **COUNTY** has a right

to initiate or join any proceedings against a third party(ies) to seek reimbursement of disability wages and medical costs.

**ARTICLE 12**

**INSURANCE AND RELATED**

**Section 1 – Types of Insurance**

Such employees may elect to self-pay for purchase of dependent health and vision exam coverage under the **COUNTY**'s group plan at the applicable COBRA rate.

**Section 2 – Health Insurance Plan**

The following health insurance options are available:

- (A) Effective January 1, 2020 employees will have the choice between the Co-Pay Plan, the Plus Plan and a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA).

- (C) Effective January 1, 2020 all employees who elect the HDHP, the employee's monthly contribution will be as follows: Employee Only or Employee + Other (Children/Family/Spouse or Domestic Partner) = twenty dollars (\$20.00).
1. For all employees who elect the HDHP, the **COUNTY** will deposit an amount equivalent to the annual deductible, based on their enrollment as individual or family,

- into the employee's health savings account within the first five (5) business days following January 1 of each year of this *Agreement*.
2. For new employees who elect the HDHP, the **COUNTY** will deposit a prorated amount in the employee's HSA upon eligibility in their first year of employment. The HSA amount will also be adjusted and prorated for employees moving from individual to family enrollment during the year. The prorated adjustments under this paragraph will be effective the first pay period the month following the date of eligibility.
- (D) Effective January 1, 2020 all employees who elect the Plus Plan, the employee's monthly contribution will be as follows: Employee Only = thirty dollars (\$30.00); Employee + Other (Children/Family/Spouse or Domestic Partner) = fifty dollars (\$50.00).
- (E) Effective January 1, 2020 all employees who elect the Co-Pay Plan, the employee's monthly contribution will be as follows: Employee Only = fifty dollars (\$50.00); Employee + Other (Children/Family/Spouse or Domestic Partner) = seventy dollars (\$70.00). ### **Section 3 – Opt Out**

- (A) The **COUNTY** will offer an "opt out" provision for employees who determine that they do not require medical and vision exam insurance coverage through the **COUNTY** plans.
- (B) The monthly amount that an employee would receive is \$350.00 in lieu of medical and vision exam insurance coverage. This amount will be \$175.00 for part-time employees as defined in Section 1(B) of this Article.
- (C) The employee will be required to provide proof of other group coverage at the time of the declination of **COUNTY** medical and vision exam insurance coverage, and is required to have continuous group medical coverage.
- (D) Employees will not be eligible for the Opt Out provision if they are otherwise covered on a **COUNTY** plan through another eligible employee.

### **Section 4 – Retirement Enrollment**

- (A) The **COUNTY** agrees to enroll each eligible and qualified employee in the following programs:
1. The **COUNTY** agrees to enroll each eligible and qualified employee in the Public Employees Retirement System (PERS) or the Oregon Public Service Retirement Plan (OPSRP) and pay the employer's and employee's contribution.
  2. The Social Security System (FICA), for enrollment purposes, only.

**Section 5 – Employee Assistance Program**

The **COUNTY** shall continue to provide the voluntary, confidential counseling services of an Employee Assistance Program to employees covered by this *Agreement*. All information gathered through the voluntary use of the Employee Assistance Program shall be held strictly confidential, unless compelled by law or unless the Employee Assistance Program has obtained a signed release from the employee.

**Section 6 – Fitness Membership**

The **COUNTY** shall establish an organizational membership at a local health club/gym so that employees may choose to work out on their personal time in order to maintain or improve their physical fitness. Should the service provider go out of the business or change ownership the **COUNTY** and the **UNION** agree to reopen the bargaining for this benefit.

**ARTICLE 13**

**Safety**

**Section 1 – Safety Policy**

The **COUNTY** acknowledges an obligation to provide a safe and healthy environment for its employees. Likewise, the **UNION** recognizes an obligation on behalf of employees to conform to established safety rules and regulations, and that failure to conform to such rules and regulations shall be subject to disciplinary action which may include discharge.

**Section 2 – Protective Clothing and Tools**

Necessary personal protective equipment, as the **COUNTY** deems proper for the performance of any job will be supplied by the **COUNTY**, provided that such equipment is returned to the **COUNTY** in reasonable condition. Employees shall be charged the then current replacement rate for equipment not so returned.

## ARTICLE 14

### TRAINING

#### Section 1 – Employee Requests

An employee wishing training may submit a written request to the appropriate supervisor. Such a request may include, but is not limited to, release time with pay, flexible working hours, tuition and travel. The supervisor shall decide whether to grant, deny or to modify the request, provided, however, any agreement shall be in compliance with the provisions of the Fair Labor Standards Act. The supervisor's decision will be reviewed by the Department Director and the Department Director's decision shall be final.

#### Section 2 – Required Training

When an employee is required by the **COUNTY** to take work-related training, the employee shall be granted release time with pay for such training if it occurs during regularly scheduled hours. Appropriate costs for such training shall be borne by the **COUNTY**.

#### Section 3 – Continuing Education

- (A) The **COUNTY** agrees to make a good faith effort to allow up to forty (40) pre-approved hours with pay per calendar year for full time bargaining unit employees for voluntary educational training directly related to duties they may perform in their current position or positions they may promote to under this agreement that have a similar community of interest in the medical profession. Employees working less than full time will be eligible for training time proportional to their hours of employment. Unused hours do not carry forward to subsequent years.
- (B) The **COUNTY** further recognizes the importance of cross-training in the Public Health area and will work cooperatively with the **UNION** toward that goal.
- (C) Requests for training must be submitted in writing no less than thirty (30) days in advance and will receive a timely response, not later than ten (10) days after the date the request is received.
- (D) The **COUNTY** agrees to reimburse employees up to three thousand dollars (\$3,000.00) per calendar year towards the costs of continuing medical education (CME) required to maintain their licensure/certification and/or primary association membership dues. The reimbursement amount will be prorated based on the employee's FTE. Unused dollars do not carry forward to subsequent years.

**ARTICLE 15**

**SENIORITY**

**Section 1 – Definition**

Seniority is defined as the amount of continuous service within the bargaining unit without an interruption of services.

**Section 2 – Continuous Service**

Continuous service shall be employment unbroken by separation other than military, Peace Corps or Union leave.

**Section 3 – Seniority List**

Employees shall be added to the seniority list upon completion of the probationary period, indicating seniority from the date of hire with Lane County. In the event of a tie in length of service, seniority will be established by the flip of a coin.

**Section 4 – Non-Bargaining Unit Seniority**

Employees transferred or promoted out of the bargaining unit shall not accumulate seniority while out of the bargaining unit and shall have their then existing level of seniority frozen. Any such employee subsequently returned into a bargaining unit position shall be entitled to have their (a) previous seniority restored, (b) be returned to the same wage step as prior to outside employment, and (c) be returned to the same time management accrual placement as prior to outside employment, provided they have maintained continuous employment with the **COUNTY**. Bargaining unit members who have been promoted into a supervisory non-bargaining unit position shall not maintain bumping rights in the event of a layoff. However, supervisors who have been promoted from the bargaining unit shall retain bargaining unit seniority for purposes of recall. Such recall rights shall be to the bargaining unit classification held at the time of promotion.

## ARTICLE 16

### LAYOFF AND RECALL

#### Section 1 – Layoff

- (A) A layoff is defined as an involuntary interruption of work which does not reflect discredit on the service of the displaced employee. Bargaining unit employees with the least seniority within the job classification within a department shall be subject to layoff first unless in the **COUNTY**'s judgment, the retention of special skills requires layoff on another basis. It is understood that on a County-wide basis initial probationary employees within the affected classifications will be removed from **COUNTY** employment before a layoff of a regular employee occurs. If approved by the **COUNTY**, an employee may elect to be subject to layoff even though their seniority may be greater than that of an employee scheduled for layoff.
- (B) Layoff will be by classification and on a Departmental basis only and in concurrence with the definition of "position."
- (C) Employees subject to layoff shall be given written notification at least fourteen (14) calendar days in advance of the effective date of layoff.

#### Section 2 – Recall

- (A) All employees on layoff status, including previous bargaining unit employees, shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. Employees shall have recall rights to the classification from which they were laid off.
- (B) The order in which recall/transfer takes place shall be as follows:
  - 1. Reassignment of duties within department within same classification.
  - 2. Recall (recall by seniority to the same classification).

#### Section 3 – Response and Status While Subject to Recall

- (A) Employees on layoff status shall be given preference in accordance with their seniority in filling a vacant position in the classification in the bargaining unit held at time of layoff. An employee shall not be required to accept recall to less than their original hours in order to maintain recall rights, nor shall acceptance of such position negate their recall rights.
- (B) An employee shall not be required to accept recall to a position which is located more than thirty (30) miles from their previous reporting place at the time of layoff in order to maintain recall rights.
- (C) An employee shall not be required to accept recall to less than their original hours or a temporary position in order to maintain recall rights, nor shall acceptance of such position negate their recall rights. The **COUNTY** shall offer recall employees, extra help and temporary positions on the basis of seniority as such positions become available.

- (D) An employee shall not be required to accept recall to a part-time or temporary position in order to maintain recall rights.

#### **Section 4 – Responsibilities**

- (A) In order to assure proper recall procedures, Human Resources will:
1. Maintain an up to date recall list by auditing the computer generated data after each run to assure accuracy.
  2. When a vacancy occurs for which there are recall candidates, Human Resources will send a notice of recall to the most senior employee on the recall list at the last address on file or their current **COUNTY** work place. The notice shall be in a sealed envelope and delivered in a format where delivery can be verified by the recipient's signature.
  3. The most senior candidate shall be recalled.
  4. A recall candidate may request to be removed from the list and forfeit any future recall rights. The **COUNTY** will notify the **UNION** of the candidate's request for removal.
- (B) Employees' responsibilities include:
1. Employees must notify Human Resources of changes in address, phone number or any other change which would prevent Human Resources from being able to contact the employee when a position becomes available (except for those working for Lane County). This notice requirement shall not apply to employees working in other **COUNTY** positions.
  2. Employees must respond within five (5) business days from the documented date of receipt of notice of recall.
  3. Employees planning to be out of town should notify Human Resources or notify a friend or relative to contact them immediately if they receive a notice of recall.

#### **Section 5 – Protection/Rights During Layoff**

- (A) The seniority of an employee who has completed probation shall be protected for a period of twenty-four (24) calendar months during layoff, provided that such employee has not refused an opportunity to return to work in their same classification.
- (B) Notwithstanding the twenty-four (24) month limit above, employees in layoff status still employed by the **COUNTY**, shall have recall rights until they are returned to their original hours (or greater) in their original classification.
- (C) Employees on layoff status shall have the option of paying for continued health insurance coverage, as provided for in COBRA.

**Section 6 – Termination for Exhaustion of Non-occupational Disability Leave**

Employees who have been terminated upon exhaustion of non-occupational disability leave benefits provided under Article 11, Section 4, shall be deemed to have been laid off and shall have recall rights provided that within one (1) year of such termination a written request to be placed on the recall list is made to the Human Resources office. The request must include the employee's statement of willingness to accept regular employment under the terms of this Article and it must be accompanied by a full doctor's release stating clearly and in writing that the employee is fully capable of performing the regular duties of the job. The recall provisions set forth above will apply as if the employee had been laid off as of the date of request for reinstatement.

**ARTICLE 17**

**RELATIONSHIPS**

**Section 1 – Change in Conditions**

If the **COUNTY** changes or proposes to implement matters within the scope of representation as defined by ORS 243.650(7) and not mentioned in this *Agreement* which require negotiations under the law, and more than a de minimus number of employees are affected, the **COUNTY** will notify the **UNION** in writing prior to implementing the proposed change. Upon timely request of the **UNION** (within 14 days), ORS 243.698 shall apply.

**Section 2 – Savings Clause**

Should any Article, Section or portion thereof of this *Agreement* be held unlawful and unenforceable by any tribunal of competent jurisdiction, such decision of the tribunal shall apply only to the specific Article, Section or portion thereof, directly specified in the decision. Upon the issuance of such a decision, the parties may agree immediately to negotiate a substitute, if possible, for the invalidated Article, Section or portion thereof.

**Section 3 – Individual Agreements**

The **COUNTY** agrees not to enter into any agreement or contract with employees covered by this *Agreement*, individually or collectively, which in any way conflicts with the terms and provisions of this *Agreement*. Any such agreement shall be null and void.

**ARTICLE 18**

**TERMINATION**

**Section 2 – Notice**

If either party serves written notice of its desire to terminate or modify provisions of the *Agreement*, such notice shall set forth the specific item or items the party wishes to terminate or modify, and the parties shall commence negotiations at least ninety (90) calendar days prior to the expiration of the *Agreement* except by mutual consent.

**Section 3 – Effective Date**

This *Agreement* and all provisions contained herein shall become effective upon ratification by the parties and approval by the Board of Lane County Commissioners. No employee(s) shall receive any retroactive salary adjustments, back pay award or any other economic or non-economic benefit except as specifically provided for in this *Agreement*.
